

REGULAR MEETING OF MUNICIPAL COUNCIL  
AGENDA

Tuesday, November 19, 2019, 5:30 p.m.  
Franz Wilhelmsen Theatre at Maury Young Arts Centre  
4335 Blackcomb Way, Whistler, BC V8E 0X5

---

1. CALL TO ORDER

2. ADOPTION OF AGENDA

That Council adopt the Regular Council Meeting Agenda of November 19, 2019.

3. ADOPTION OF MINUTES

That Council adopt the Regular Council Meeting Minutes of November 5, 2019.

4. PUBLIC QUESTION AND ANSWER PERIOD

5. MAYOR'S REPORT

6. ADMINISTRATIVE REPORTS

6.1 LLR1339 – Nita Lake Lodge Structural Change to a Liquor Primary Licence Report No. 19-146 File No. LLR1339

*A presentation by municipal staff.*

That Council pass the resolutions attached as Appendix “A” to Administrative Report No. 19-146 providing Council’s recommendation to the Liquor Cannabis Regulation Branch regarding an application from NLL Management (2013) Ltd. for a structural change to increase capacity for the liquor primary licence issued to Cure Lounge and Patio under No. 307659 to add liquor service to the Lodge’s new spa and esthetics area on the ground floor with an occupant load of 30 persons.

6.2 Amendments to Zoning and Sign Bylaws to Remove Temporary Use Permit Requirement for Home-Based Artist Studios – Report of Public Hearing and Consideration of Adoption Report No. 19-147 File No. RZ1163

*No presentation.*

That Council consider giving adoption to “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019”; and

That Council consider giving adoption to “Sign Bylaw Amendment Bylaw (Home-Based Artist Studios) No. 2247, 2019”.

**6.3 RZ1162 – 4800-4814 Glacier Lane – RM13 Zone Amendments for Glacier 8 - Employee Housing Report No. 19-148 File No. RZ1162**

*A presentation by municipal staff.*

**That** Council consider giving first and second readings to “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”;

**That** Council authorize staff to schedule a public hearing for “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”;

**That** Council direct staff to advise the applicant that before consideration of third reading of “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”, the following matters must be resolved to the satisfaction of the General Manager of Resort Experience:

1. An agreement on rental rates;
2. Resolution of employee services space allocation;
3. Determination of appropriate transit service levels at peak evening and early morning hours;
4. Resolution of the number of car share vehicles;

**That** Council direct staff to advise the applicant that before consideration of adoption of “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”, the following matters shall be completed to the satisfaction of the General Manager of Resort Experience:

1. Registration of a development covenant in favour of the Resort Municipality of Whistler (“RMOW”) to secure development of the proposed new building and site improvements consistent with development permit plans to be finalized prior to adoption;
2. Registration of a housing agreement in favour of the RMOW to regulate rental rates and to define qualified employees;
3. Registration of a green building covenant consistent with the RMOW’s Green Building Policy;
4. Completion of a 25 year agreement for continued funding of additional transit service;
5. Submission of site servicing plans to the satisfaction of the Development Services department;
6. Submission of a final waste and recycling plan that is consistent with “Solid Waste Bylaw No. 2139, 2017”;
7. Submission of a snow shed report that is consistent with RMOW’s Snow Shed Policy,
8. Registration of a S219 covenant specifying the finalized floor area allocation for employee services; and further

**That** Council authorizes the Mayor and Municipal Clerk to execute the necessary legal documents for this application.

**6.4 Amendments to Council Policy I-06: Parks And Recreation Fees And Charges Policy Report No. 19-149 File No. REC2019-I06**

*A presentation by municipal staff.*

**That** Council adopt the amended version of *Council Policy I-06: Parks and Recreation Fees and Charges Policy* attached as Appendix "A" to Administrative Report to Council No. 19-149.

**6.5 Parks And Recreation Fees And Charges Amendment Bylaw 2243, 2019 Report No. 19-150 File No. REC2019-2243**

*A presentation by municipal staff.*

**That** Council consider giving first, second and third readings to "Parks and Recreation Fees and Charges Regulation Amendment Bylaw No. 2243, 2019".

**6.6 BC Hydro Beautification Grant – White Gold Neighbourhood Service Undergrounding Petition Report No. 19-151 File No. 132**

*No presentation.*

**That** pending a successful outcome of the 2019/20 petition for the undergrounding of utility services in the White Gold neighbourhood (Fitzsimmons Area), the RMOW agrees to fund the portion of the total project costs not covered by the BC Hydro Beautification Grant through a Local Area Service tax payable over time, by all parcels located within the identified Service Area.

**7. BYLAW FOR FIRST AND SECOND READINGS**

**7.1 Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019**

**That** "Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019" be given first and second readings.

**8. BYLAW FOR FIRST, SECOND AND THIRD READINGS**

**8.1 Parks and Recreation Fees and Charges Regulation Amendment Bylaw No. 2243, 2019**

**That** "Parks & Recreation Fees & Charges Regulation Amendment Bylaw No. 2243, 2019" be given first, second and third readings.

**9. BYLAWS FOR ADOPTION**

**9.1 Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) Bylaw No. 2242, 2019**

**That** "Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) Bylaw No. 2242, 2019" be adopted.

**9.2 Sign Bylaw Amendment Bylaw (Home-Based Artist Studios) No. 2247, 2019**

**That** "Sign Bylaw Amendment Bylaw (Home-Based Artist Studios) No. 2247, 2019" be adopted.

**9.3 Five-Year Financial Plan 2019-2023 Amendment Bylaw No. 2252, 2019**

**That** "Five-Year Financial Plan 2019-2023 Amendment Bylaw No. 2252, 2019" be adopted.

**10. OTHER BUSINESS**

Seconded By                Councillor D. Jackson

**That** Council adopt the Regular Council Meeting Minutes, and Public Hearing Meeting Minutes of October 22, 2019.

CARRIED

### 4. **PUBLIC QUESTION AND ANSWER PERIOD**

Name: Randi Kruse 2848 Clifftop Lane  
Re: CECAP

Ms. Kruse asked Council if they believe that the results in the most recent CECAP update are consistent with Council's plan to cut back on emissions.

Mayor J. Crompton responded that there is still significant work ahead of us, as Council and the community at large. He added that it's not a challenge that can be fixed by government alone, but by everyone in the community.

Ms. Kruse noted that she is concerned that the mandate isn't being pursued as aggressively as it needs to be and asked what needs to be done to secure the goals laid out in the report.

Mayor J. Crompton responded that he encourages community members to continue to show up to meetings to advocate, and continue to create change. The community showing up and raising their collective voices has the largest impact.

Ms. Kruse asked Council why a Climate Change Committee has not been created as laid out in the plan.

Mayor J. Crompton responded that the RMOW needs to have a lot of stakeholder participation, and will ask this question of the Climate Change Coordinator later in the Meeting.

Ms. Kruse asked if it is fair to say that the community will see stronger action from Council in the budget to drive the plan and move the goals forward.

Mayor J. Crompton responded that he is confident this is the case.

Ms. Kruse asked when will the community start to see this action, we aren't seeing it yet. She also asked why Whistler has invested in developing this plan if it isn't being implemented in the short, and medium term. She added that she is hoping to see changes in the budget as part of the commitment to climate change.

Mayor J. Crompton responded that there have been a number of changes already for example electric charging stations, regional transit, local transit, and a number of other initiatives showing Council's commitment to action on climate. He added that Council is committed to implementing the actions in the plan and eager to do the work needed to take action. He added that there is significant work still to do. Mayor J. Crompton also noted that the RMOW was awarded the Level 4 recognition from the UBCM Climate ActionPlan.

## **5. MAYOR'S REPORT**

### Halloween

Mayor Jack Crompton noted that for Halloween the Park and Spook Goblin Express free shuttle bus from Marketplace to Tapley's Farm was busy with trick or treaters. The shuttle was put on by BC Transit and the RMOW. Free parking from 5 p.m. at Marketplace was provided compliments of Fast Park and the Marketplace businesses.

### Legends of Whistler Tell the Story

Mayor Jack Crompton noted that The Legends of Whistler Tell the Story event was held last week. He moderated this three-part storytelling event put on by the Whistler Museum and Archives Society. More than three hundred and seventy people attended. Twelve special guests shared their stories about Whistler's history. The storytellers were Drew Meredith, Eldon Beck, Garry Watson, Jim Moodie, Mike Douglas, Peter Alder, Hugh Smythe, Julia Murray, Isobel MacLaurin, Paul Fournier, Joan Richoz, and Stephen Vogler.

### RZ1157 Open Houses

Mayor Jack Crompton thanked everyone who attended the two open house events on October 24, 2019 regarding the proposal to rezone 5298 Alta Lake Road. He noted that 49 members of the public attended the earlier open house and 36 attended the later. The project proposes to rezone the lands from the current zone, Tourist Accommodation 17, to a new zone that would allow for resident restricted townhomes, tourist accommodation townhomes, and a municipal park.

### 1020 Legacy Way

Mayor Jack Crompton noted that the new Whistler Housing Authority (WHA) building at 1020 Legacy Way is now occupied. The 24 affordable rental units are home to 54 people. The passive house building was constructed with help from the National Housing Strategy's Rental Construction Financing initiative as well as the Canada Mortgage and Housing Corporation's Affordable Housing Innovation Fund. Mayor Jack Crompton added that the WHA has made great progress toward adding 116 new apartments in four buildings. In addition to this newest Legacy Way building opening, another building has been open for almost two years, and one more building will be completed and occupied prior to the end of this year, with the fourth building just commencing construction.

### Budget 2020 Community Information Meeting

Mayor Jack Crompton noted that the upcoming Budget 2020 Community Information Meeting will be held on Tuesday, November 12, 2019 from 4:30 to 7:30 p.m. at the Maury Young Arts Centre. He invited residents to ask questions and discuss the proposed initiatives with staff and provide feedback. The budget documents will be available online in advance of the meeting, from Thursday, November 7, 2019 at [whistler.ca/budget](http://whistler.ca/budget). He added that for those unable to attend in person, the staff presentations will be broadcast live on the RMOW Facebook page [www.facebook.com/rmowhistler](https://www.facebook.com/rmowhistler).

### Winter Parking Regulations

Mayor Jack Crompton noted that winter parking regulations are now in effect throughout Whistler until the end of March. During winter, parking is not permitted on the even side of the street in Whistler subdivisions on Monday to Friday from 9 a.m. to 5 p.m. Parking on the odd side of the street is not permitted year round, unless otherwise signed. Overnight parking isn't permitted in the Day Lots or other surface lots in winter. He noted that these regulations allow for effective snow clearing. More information can be found online at [whistler.ca/winterparking](http://whistler.ca/winterparking).

### Whistler Public Library

Mayor Jack Crompton noted that the Whistler Public Library has new group study tables and privacy booths. These updates are part of a series of interior space changes based on community feedback from the Library's 2017 Vision Survey. This first phase of changes was supported by a grant of \$54,100 from the Whistler Blackcomb Foundation.

### Zero Waste Workshops

Mayor Jack Crompton noted that signup is open for the series of free Zero Waste Workshops. These workshops are for industrial, commercial and institutional property managers as well as for cleaning companies. The workshops are run by the RMOW and AWARE with the goal to reduce the amount of waste sent to landfill. Mayor Jack Crompton noted that workshops for multifamily accommodations were held last week. He added that currently, over 70 per cent of Whistler's landfill waste was generated by commercial and multifamily properties. More information can be found online at [whistler.ca](http://whistler.ca).

### Zero Waste Select Committee of Council

Mayor Jack Crompton noted that there is a position available on the Zero Waste Select Committee of Council. The position is ideal for someone with the knowledge and experience to support Council's long-term planning for solid waste and resource management. He added that the application deadline is 4 p.m. on November 22, 2019. For more details, go to [whistler.ca/committees](http://whistler.ca/committees).

### BC Economic Development Minister's Dinner

Councillor Duane Jackson and Mayor Jack Crompton attended the BC Economic Development Minister's Dinner last Sunday, and had the opportunity to share some of Whistler's challenges and opportunities with provincial and federal ministers and staff. Mayor Jack Crompton noted that they spoke with Minister Selina Robinson (Municipal Affairs and Housing), Minister Bruce Ralston (Jobs, Innovation and Technology), Minister Claire Trevena (Transportation and Infrastructure), and staff from Global Affairs Canada and Destination BC.

### Howe Sound Community Forum

Mayor Jack Crompton noted that the Howe Sound Community Forum was held at the Cheakamus Centre in Squamish on October 25, 2019. He added that the Forum is a venue for Sea to Sky, Sunshine Coast and Metro Vancouver communities to drive action on protecting our region. He noted that the focus was on climate action, and added that there was a lot of conversation about the challenges presented by single occupant vehicle, as 90 per cent of our local emissions come from the single occupant vehicle and natural gas.

### Local Fundraisers

Mayor Jack Crompton noted the local fundraisers that were held last week for the Zero Ceiling Society and Whistler Search and Rescue.

### Councillor Cathy Jewett

Councillor Cathy Jewett noted the opening of the exhibition: After the Blast: The Art of Levi Nelson at Maury Young Arts Centre. She also noted that there will be a dance performance inspired by the works of Emily Carr at the Audain Museum on Saturday.

### Councillor Arthur De Jong

Councillor Arthur De Jong thanked Mayor Jack Crompton and Legends of Whistler for their stories at the Legends of Whistler event.

Mayor Jack Crompton announced the appointments of the Whistler Public Library Board of Trustees.

## **6. INFORMATION REPORTS**

### **6.1 Whistler 101 Lectures Update Report No. 19-137 File No. CPD19-1**

Moved By Councillor R. Forsyth

## REPORT | ADMINISTRATIVE REPORT TO COUNCIL

**PRESENTED:** November 19, 2019

**REPORT:** 19-146

**FROM:** Resort Experience

**FILE:** LLR1339

**SUBJECT:** LLR1339 – NITA LAKE LODGE STRUCTURAL CHANGE TO A LIQUOR PRIMARY LICENCE

### COMMENT/RECOMMENDATION FROM THE CHIEF ADMINISTRATIVE OFFICER

**That** the recommendation of the General Manager of Resort Experience be endorsed.

### RECOMMENDATION

**That** Council pass the resolutions attached as Appendix “A” to Administrative Report No.19-146 providing Council’s recommendation to the Liquor Cannabis Regulation Branch regarding an application from NLL Management (2013) Ltd. for a structural change to increase capacity for the liquor primary licence issued to Cure Lounge and Patio under No.307659 to add liquor service to the Lodge’s new spa and esthetics area on the ground floor with an occupant load of 30 persons.

- “C” – Letter of Intent from applicant
- “D” – Nita Lake Lodge main floor plan with licensed areas
- “E” – Occupant load stamped plan for new ground floor spa space

### PURPOSE OF REPORT

This report presents an application from NLL Management (2013) Ltd. for a structural change to increase capacity for the liquor primary licence issued to Cure Lounge and patio to add liquor service to the Lodge’s new spa and esthetics area on the ground floor. For this type of application the provincial Liquor Cannabis and Regulation Branch (LCRB) requires local government comment in the form of a resolution from Council addressing prescribed regulatory criteria and a recommendation as to whether the licence should be approved.

### DISCUSSION

#### Establishment Location, Licence Type, Hours and Current Capacity

Nita Lake Lodge is located at 2131 Lake Placid Road (see Appendix “B” for location plan), and has been in operation since 2007. Nita Lake Lodge is a full-service 77 room boutique hotel on the shores of Nita Lake in the Whistler Creekside Neighbourhood. The property includes a train station with train service provided by the Rocky Mountaineer. Food and beverage service is provided under Liquor Primary Licence No. 307659, which has hours of liquor service from 9:00 a.m. to 1:00 a.m. with morning service (e.g. from 9-11 a.m.) subject to maintaining a fully operational kitchen and breakfast food service. The following areas are currently within the liquor primary licence:

### Current Liquor Primary Licensed Capacity

Area	Interior Capacity	Patio Capacity
Aura Restaurant (restaurant area #1)	116	80
Cure Lounge (restaurant area #2)	96	40
Library (restaurant area #3)	30	12
Fix Café	60	24
Pool Deck	N/A	30
Ballroom (banquet room #1)	175	N/A
Train Station (banquet room #2)	80	N/A
Pre-Function Lobby	85	N/A
<b>Total Capacity</b>	<b>642</b>	<b>186</b>

\* Patron participation entertainment (dancing) is permitted for events such as weddings in the banquet rooms. All entertainment must end by midnight.

### Application for a New Liquor Primary Licence for Cure Lounge

NLL Management (2013) Ltd. has applied to the LCRB for a structural change to its liquor primary licence to add a new 30 person capacity spa esthetics area on the Lodge's ground floor. The intent is to offer spa clients liquor service in conjunction with spa treatments. All other licensed areas would be unchanged from the current liquor primary licence, including the existing hours of liquor service from 9:00 a.m. to 1:00 a.m. daily. Please see Appendix "B" for a letter of intent from the applicant and Appendix "C" for the occupant load stamped plan of the Nita Lake Lodge licensed facilities and proposed new spa area on the ground floor showing the increase. The proposed hours of services for this spa area is from 9:00 a.m. to 10:00 p.m., which conforms to the municipal hours of liquor services guidelines. Spa services would remain the primary business function.

### LCRB Review Criteria and Process

The LCRB process for reviewing an application for a new liquor primary licence is more comprehensive than for an amendment to an existing food primary or liquor primary licence. For this type of application the LCRB requires local government comment in the form of a resolution from Council which must take into account:

- The location of the establishment; and
- The person capacity and hours of liquor service of the establishment.

The resolution from Council must specifically comment on the following regulatory criteria:

- The impact of noise on nearby residents;
- The impact on the community if the application is approved;
- The views of the residents and a description of the methods used to gather views; and

November 19, 2019

- Local government must include in its resolution a recommendation as to whether or not the new licence should be approved and the reasons on which the recommendation is based.

### Municipal Review Process

For a new liquor primary licence Council Policy G-17 *Municipal Liquor Licensing Policy* specifies a 30-day public advertising period, an LLAC referral/report/recommendation and a staff report to Council with a resolution to the LCRB in a prescribed format. Also part of the municipal process is a review of the proposed floor plan drawing of the establishment for building code compliance and a determination of occupant load. Whistler Fire Rescue Service has stamped the plan drawing of Appendix “E” with an interior occupant load of 30 persons for the new spa space.

### Current Good Standing Status

A Good Standing review was conducted to determine the compliance history of the applicant's existing food primary licence. The application was referred to the LCRB inspector, the Whistler Detachment of the RCMP, the Whistler Fire Rescue Service and the RMOW Building and Bylaw Departments. Each was asked to provide a written list of any contraventions and their disposition for the 12-month period preceding the date of the application and any other comments considered to be relevant. There were no compliance issues identified, and the RCMP have determined the applicant to be in Good Standing.

### Liquor Licence Advisory Committee Review Process

A summary of the applicant's proposal was referred by email to LLAC members on September 26, 2019 and members were asked to provide their initial comments. No comments from any LLAC members were received. Staff then prepared a report, to be presented at the November 14, 2019 meeting of the committee, which addressed the LLAC review criteria regarding the need for the new licence and the potential impacts on the resort community. In an effort to efficiently process this application, the motion passed by the LLAC at the November 14, 2019 meeting will be included in the presentation to Council.

### WHISTLER 2020 ANALYSIS

W2020 Strategy	TOWARD Descriptions of success that resolution moves us toward	Comments
Visitor Experience	The resort community's authentic sense of place and engaging, innovative and renewed offerings attract visitors time and time again.	A structural change to the liquor primary licence to increase capacity would allow a new enhanced spa amenity for Nita Lake Lodge and the Whistler Creek area. Nita Lake Lodge is a unique property, with its decor, the lakeside location and the train station. With an increase to the liquor primary licence capacity the spa would be able to provide an enhanced experience, not currently available, for hotel guests, visitors and residents.
Economic	The Whistler economy provides opportunities for achieving competitive return on invested capital.	Nita Lake Lodge's management has identified the desirability of being able to offer clients alcoholic beverages in conjunction with their spa services to remain competitive in the spa business, and to diversify the range of options in the community.
Recreation & Leisure	Recreation and leisure is a core contributor to the Whistler economy.	As mentioned in the applicant letter (Appendix “C”), an increase in capacity to the Lodge's liquor primary licence would provide for a unique and enhanced experience to better complement the leisure sector.

W2020 Strategy	AWAY FROM Descriptions of success that resolution moves away from	Mitigation Strategies and Comments
Health & Social	Community members eat healthy food, exercise and engage in leisure and other stress relieving activities that assist in preventing illness and they avoid the abusive use of substances that evidence indicates have negative effects on physical and mental health.	Any liquor service establishment has the potential for over-service and/or excessive consumption. Nita Lake Lodge management has signed a Good Neighbour Agreement that commits it to procedures and training to avoid potentially adverse effects of their products and services.

## OTHER POLICY CONSIDERATIONS

Under policies developed and supported by the Liquor Licence Advisory Committee and in Council Policy G-17 *Municipal Liquor Licensing Policy*, an application for a new liquor primary licence specifies a public advertising period, a good standing review, an LLAC referral / report / recommendation, a staff report to Council and a Council resolution to the LCRB in a prescribed format.

## COMMUNITY ENGAGEMENT AND CONSULTATION

In accordance with municipal policy the applicant advertised the proposed new liquor primary licence in the September 12 and 19, 2019 editions of Pique Newsmagazine, and they posted a sign at the establishment (commencing September 10, 2019) in order to provide opportunity for public comment. The advertisements and sign requested that any comments be provided in writing to municipal staff on or before October 2, 2019. No comments were received.

## SUMMARY

This report presents an application from NLL Management (2013) Ltd. for a structural change to increase capacity for the liquor primary licence issued to Cure Lounge and Patio under No. 307659 at Nita Lake Lodge. Cure Lounge and Patio is seeking to add under its licence liquor service for the Lodge's new space esthetics area (maximum 30 persons) on the ground floor. This report also provides a resolution in support of the application for Council's consideration that addresses criteria specified by the LCRB. This resolution is a result of the application of municipal policy and consultation with the community.

GENERAL MANAGER OF RESORT EXPERIENCE

General Manager,  
Liquor Cannabis and Regulation Branch

RE: Application for a structural change to increase capacity for the liquor primary licence issued to Cure Lounge and Patio under No. 307659 at Nita Lake Lodge, located at 2131 Lake Placid Road in Whistler.

At the Council meeting held on November 19, 2019 the Council passed the following resolution with respect to the application for the above named liquor primary licence:

“Be it resolved that:

1. The Council recommends the issuance of the liquor primary licence for the following reasons:

The proposed licensing will provide for improved customer service for both visitors and residents and will not have any significant negative impacts on the resort community. The applicant has entered into a Good Neighbour Agreement and Noise Mitigation Plan with the Municipality.

2. The Council’s comments on the prescribed considerations are as follows:

- (a) The location of the establishment:

Nita Lake Lodge is in a CC3 Zone which has “entertainment” and “personal service” as a permitted uses. Entertainment use in the municipal zoning bylaw means “commercial social uses including the following premises licensed for the sale and consumption of alcoholic beverages on the premises: club, cabaret, neighbourhood public house and lounge.” Therefore, a liquor primary license is permitted on the subject property.

Nita Lake Lodge, which includes the hotel and train stations, is located in the Whistler Creek area, approximately 4 km from Whistler Village. The hotel is located on the southern shore of Nita Lake, separated from the lake by the public Valley Trail (see Appendix A). The spa esthetics area is located on the ground floor of the hotel. The hotel is located in the primarily residential Whistler Creek neighbourhood with the newer Nita Lake Estates to the west, and residences to the east and south. Other adjacent land uses include: the Whistler Resort and Club tourist accommodation building, Roland’s Creekside Pub and the Red Door Bistro to the southeast; and Alpha Lake Park to the southwest.

Direct distances to other commercial areas and liquor primary establishments are:

- Whistler Creek commercial area and tourist accommodations – 300 metres;
- Rimrock Cafe and lounge – 480 metres;
- Dusty’s Bar and BBQ – 500 metres.

- (b) The person capacity and hours of liquor service of the establishment:

The proposed capacity increase to the liquor primary establishment is 30 persons. The proposed hours of operation of the establishment are: 9 a.m. to 10 p.m., Monday through Sunday. These hours conform to the municipal hours of liquor service guidelines in Council Policy G-17.

(c) The impact of noise on nearby residents:

Late night noise and disturbances can be a concern, especially in a quiet residential neighbourhood adjacent to a lake. It is not anticipated that the increase in capacity would not have any significant impacts on surrounding properties and or guests staying at Nita Lake Lodge given the nature of the proposed liquor service and operations of a spa business. Nita Lake Lodge is also subject to the provisions of the Municipality's "Noise Control Bylaw No. 1660, 2004".

(d) The impact on the community if the application is approved:

If the application is approved the impact on the community will likely, on balance, be positive by meeting the service expectations of both visitors and residents. Negative impacts on the community are not anticipated as a result of this request to increase capacity.

3. The Council's comments on the views of residents are as follows:

Council believes that residents are in favour of the application and that residents are not opposed to the application. The method used to gather the views of residents was placement of an information sign at the front of Nita Lake Lodge for 30 days commencing September 10, 2019 and advertisements in the September 12 and 19, 2019 editions of Pique Newsmagazine. No comments were received.

The municipal Liquor Licence Advisory Committee, a committee of municipal Council comprising various community representatives, voted to support the application."

The undersigned hereby certifies the above resolution to be a true copy of the resolution passed by the Council of the Resort Municipality of Whistler on November 19, 2019.

Sincerely,

Alba Banman  
MUNICIPAL CLERK  
Resort Municipality of Whistler

Location Map

Subject property - Nita Lake Lodge

Subject: Adding of a new Liquor Primary License space to existing license 307659

Dear Sir/Madam,

NLL Management (2013) Ltd. dba Nita Lake Lodge is applying to add an additional licensed area to the existing liquor primary license. The business currently has an existing liquor primary license under the name of Cure Lounge and Patio (#307659). The Cure Lounge is located off the lobby adjacent to Nita Lake; it is described as Person 02 and Patio 02 on the current approved liquor license plan.

This application is looking to add the new "SPA space" on the ground floor to the Liquor primary license to be able to serve liquor to guests of the new Spa esthetics area. We are requesting the area to be licensed for 30 patrons.

The Creekside neighborhood of Whistler has a limited number of businesses offering employment, with many of the surrounding shop spaces left vacant. This leaves the area unanimated and lacking vitality. Nita Lake Lodge and with it The Spa offers substantial employment opportunities for people living in the area. This includes management, receptionist, esthetics and massage practitioner positions. Many locals living in the Creekside area as well as Hotel guests travel to the area to enjoy the space. The diverse range of entertainment options are major contributors to the resort community.

Creekside continues to establish itself as an alternative to the Village experience and is enjoyed by many tourists coming to the area. The Spa at Nita Lake Lodge is offering a high-end wellness environment that is both unique in its location and diversifies the portfolio of spa & esthetics establishments in Creekside. With the increased business seen in the Resort Community of Whistler and the rising visitor numbers, it is imperative to continue to diversify Whistler's portfolio of offerings; this is a vital part to long-term success of the resort community.

With the recent change to allow non-traditional businesses to apply for liquor primary licenses and the planned expansion of our Spa we are looking to further diversify our offerings.

The new Spa space is a ground level expansion with the main area of focus being retail sales and non-evasive esthetics ranging from manicures, to pedicures, facials and laser therapy.

## APPENDIX C

More and more, customers are looking for unique experiences. Being able to serve champagne to clients while they enjoy treatments such as a manicure allows us to do exactly that. The serving of liquor is only an enhancement to spa services. This means patrons will only enjoy liquor alongside a spa treatment. Additionally, we are applying for the family endorsement to be able to allow minors to enjoy treatments in this area also.

Nita Lake Lodge is a high-end boutique hotel and all outlets contained within operate accordingly. This includes noise level permitted. As Nita Lake Lodge already works hard to control the disturbance associated with noise, as well as the space is being focused on relaxation and wellbeing, we do not see this area to be adding any noise disturbances. The opening hours will be aligned with Spa opening hours which are from 9:00 am – 9:30 pm.

The hotel has established itself positively within the community; and is proud to be a place for locals. It is part of the hotels mission statement to be bringing a boutique and authentic Canadian experience to Whistler and helping the area to gain visitors. This assists other establishments to succeed within the area. The gained flexibility of having a liquor primary license within the new Spa area will allow the business to enhance the guest experience.

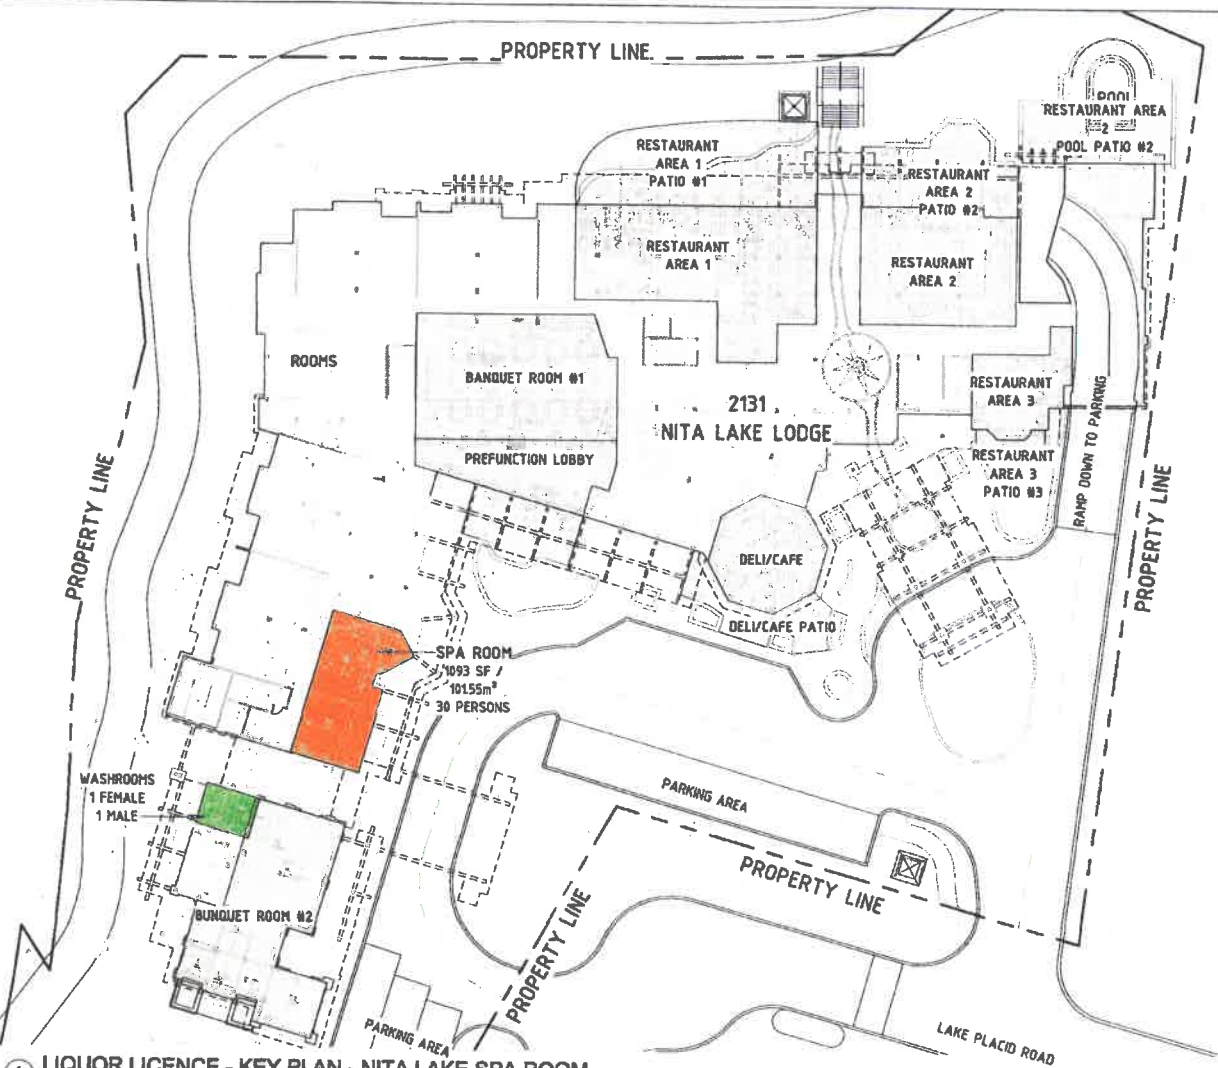

This application is not looking to change the demographic of its clientele and or its current focus. The business is simply seeking the opportunity to be able to make it's Spa offerings more intriguing through-out the year. The positive effect of this will be a diversified guest experience for both hotel guests and the community to enjoy.

If you have any questions or concerns, please do not hesitate to contact me.

Warm Regards

Theresa Ginter

## REPORT | ADMINISTRATIVE REPORT TO COUNCIL

**PRESENTED:** November 19, 2019  
**FROM:** Resort Experience  
**SUBJECT:** AMENDMENTS TO ZONING AND SIGN BYLAWS TO REMOVE TEMPORARY USE PERMIT REQUIREMENT FOR HOME-BASED ARTIST STUDIOS – REPORT OF PUBLIC HEARING AND CONSIDERATION OF ADOPTION

**REPORT:** 19-147  
**FILE:** RZ1163

### COMMENT/RECOMMENDATION FROM THE CHIEF ADMINISTRATIVE OFFICER

**That** the recommendation of the General Manager of Resort Experience be endorsed.

### RECOMMENDATION

**That** Council consider giving adoption to “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019”; and

**That** Council consider giving adoption to “Sign Bylaw Amendment Bylaw (Home-Based Artist Studios) No. 2247, 2019”.

### REFERENCES

“Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019” (Not attached)

“Sign Bylaw Amendment Bylaw (Home-Based Artist Studios) No. 2247, 2019” (Not attached)

Administrative Report to Council No. 19-128 – Amendments to Zoning and Sign Bylaws to Remove Temporary Use Permit Requirement for Home-Based Artist Studios, dated October 8, 2019 (Not attached)

### PURPOSE OF REPORT

The purpose of this Report is to provide staff’s summary of the public hearing submissions for “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019”. This Report also presents “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019” and “Sign Bylaw Amendment Bylaw (Home-Based Artist Studios) No. 2247, 2019” to Council for consideration of adoption.

### DISCUSSION

#### Background

“Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019” and “Sign Bylaw Amendment Bylaw (Home-Based Artist Studios) No. 2247, 2019” were introduced to Council on October 8, 2019. The two bylaw amendments remove the temporary use

permit (TUP) requirement for Home-Based Artist Studios, with the zoning amendment bylaw also authorizing these studios to sell artwork and crafts produced on the same premises.

On October 8, 2019, Council gave the two bylaw amendments first and second readings. At this meeting, Council also authorized staff to schedule a public hearing for “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019” and to advertise for same in the local newspaper.

The public hearing on “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019” was held on October 22, 2019. At the public hearing, four individuals made representations to Council in support of the proposed zoning amendment bylaw. No written submissions were received. As the verbal representations were in support of the zoning amendment bylaw, Council gave third reading to “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019” and the companion “Sign Bylaw Amendment Bylaw (Home-Based Artist Studios) No. 2247, 2019” on October 22, 2019.

### **Written Report of Public Hearing**

Pursuant to section 465(5) of the *Local Government Act*, a written report of the public hearing must be prepared and maintained as a public record. This Report to Council is the required written report.

At the public hearing for “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019” on October 22, 2019, four individuals made verbal representations to Council in support of the proposed zoning amendment bylaw. These representations expressed that the removal of the TUP will support and engage artists and help the Whistler arts and culture community move forward, grow and thrive. One submission also expressed that removing the TUP will promote “natural selection” among Whistler’s artists and make the arts community stronger as the public will judge which art is exciting and worth supporting. Additionally, some submissions highlighted the benefit of removing the TUP fee for these studios, while others expressed support for the conclusion of the TUP pilot project.

### **Adoption of Bylaw Amendments**

As the verbal representations were in support of the zoning amendment bylaw, this Report recommends that Council consider adoption of “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019” and the companion “Sign Bylaw Amendment Bylaw (Home-Based Artist Studios) No. 2247, 2019”.

### **WHISTLER 2020 ANALYSIS**

A Whistler2020 analysis is provided in Administrative Report to Council No. 19-128, dated October 8, 2019.

### **OTHER POLICY CONSIDERATIONS**

An analysis of policy considerations is provided in Administrative Report to Council No. 19-128, dated October 8, 2019.

## **BUDGET CONSIDERATIONS**

There are no budget considerations. All costs associated with amendment bylaw preparation, the public hearing, notices and legal fees were covered under the existing Planning Department budget.

## **COMMUNITY ENGAGEMENT AND CONSULTATION**

A public hearing on “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019”, which was subject to public notice requirements, was held on October 22, 2019. Four verbal representations in support of the zoning amendment bylaw were made to Council. No written submissions were received.

## **SUMMARY**

This Report contains staff’s summary of the public hearing submissions for “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019”. This Report also recommends that Council consider adoption of “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) No. 2242, 2019” and “Sign Bylaw Amendment Bylaw (Home-Based Artist Studios) No. 2247, 2019”.

Respectfully submitted,

Courtney Beaubien

## REPORT | ADMINISTRATIVE REPORT TO COUNCIL

**PRESENTED:** November 19, 2019

**REPORT:** 19-148

**FROM:** Resort Experience

**FILE:** RZ1162

**SUBJECT:** RZ1162 – 4800-4814 GLACIER LANE – RM13 ZONE AMENDMENTS FOR GLACIER 8 EMPLOYEE HOUSING

### COMMENT/RECOMMENDATION FROM THE CHIEF ADMINISTRATIVE OFFICER

**That** the recommendation of the General Manager of Resort Experience be endorsed.

### RECOMMENDATION

**That** Council consider giving first and second readings to “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”;

**That** Council authorize staff to schedule a public hearing for “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”;

**That** Council direct staff to advise the applicant that before consideration of third reading of “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”, the following matters must be resolved to the satisfaction of the General Manager of Resort Experience:

1. An agreement on rental rates;
2. Resolution of employee services space allocation;
3. Determination of appropriate transit service levels at peak evening and early morning hours;
4. Resolution of the number of car share vehicles;

**That** Council direct staff to advise the applicant that before consideration of adoption of “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”, the following matters shall be completed to the satisfaction of the General Manager of Resort Experience:

1. Registration of a development covenant in favour of the Resort Municipality of Whistler (“RMOW”) to secure development of the proposed new building and site improvements consistent with development permit plans to be finalized prior to adoption;
2. Registration of a housing agreement in favour of the RMOW to regulate rental rates and to define qualified employees;
3. Registration of a green building covenant consistent with the RMOW’s Green Building Policy;
4. Completion of a 25 year agreement for continued funding of additional transit service;
5. Submission of site servicing plans to the satisfaction of the Development Services department;
6. Submission of a final waste and recycling plan that is consistent with “Solid Waste Bylaw No. 2139, 2017”;
7. Submission of a snow shed report that is consistent with RMOW’s Snow Shed Policy,
8. Registration of a S219 covenant specifying the finalized floor area allocation for employee services; and further

**That** Council authorizes the Mayor and Municipal Clerk to execute the necessary legal documents for this application.

Current Zoning: RM13 Zone (Residential Multiple Thirteen)  
Appendices: “A” – Location Map  
                  “B” – Proposed Development Plans  
                  “C” – Vail Employee Services and House letter July 2019  
                  “D” – Applicant’s Parking Analysis October 2019

## **PURPOSE OF REPORT**

The purpose of this Report is to present “Zoning Amendment Bylaw (Glacier 8 – RM13 zone) No. 2250, 2019” for Council consideration of first and second readings. This project has been a priority project for staff given the municipality’s critical need for additional employee housing.

The proposed Bylaw is to amend the CM13 (Residential Multiple Thirteen) Zone, which is a site specific zone that applies to staff housing located at 4802 – 4814 Glacier Lane for Vail Resorts and Fairmont Whistler hotel. The proposed zoning amendment is to permit additional dwelling units in a 6-storey building for employee housing and includes additional floor area for employee service uses for all employees living on this housing “campus”.

This Report recommends that Council give first and second readings to “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”, authorize staff to schedule a public hearing for “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”, and further identifies conditions for the applicant to address prior to consideration of third reading and adoption of “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”.

## **DISCUSSION**

### **Background**

On September 3, 2019 Council authorized staff to proceed with further review and processing of Rezoning Application RZ1162, for staff to schedule a public information meeting and to prepare a zoning amendment bylaw that would provide for the proposed additional employee housing building located at 4800 – 4814 Glacier Lane as described in Administrative Report to Council No. 19-109. There are seven existing 4-storey buildings for staff housing on the property, as shown on the Location Map in Appendix “A”.

On Nov 6, 2019 Vail Resorts submitted a revised proposal for a 6-storey building with 66 2-bedroom dwelling units. The original submission was for 60 2-bedroom dwelling units. Staff support all 66 dwelling units which must include 4 accessible designed dwelling units and 2 dwelling units for temporary respite use.

Vail Resorts has advised the proposed building will be operated by a third party and they will lease dwelling units from them. Vail Resorts is committed to providing housing for their employees for the long term but is requesting that a third party operator of the building be permitted to rent the dwelling units to a wider market of defined qualified employees in times when the units are not required for Vail employees.

The proposal requires amendments to the RM13 Zone’s regulations as outlined in this report.

## **Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019**

“Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019” amends the RM13 zone to increase the floor space ratio (FSR), site coverage, building height and includes additional regulations pertaining to the ground floor area in the proposed building to be used for employee services uses and auxiliary uses to employee services and housing for all employees on the campus.

The bylaw amendment increases the permitted floor space ratio (FSR) for the property from 0.7 to 0.9. This represents an increase of approximately 4,000 square metres in total gross floor area to allow the proposed 6-storey building. The increase in gross floor area includes floor area on the ground floor for employee services uses. A need for additional space for social, recreational and other activities is detailed in Vail’s House operations letter attached as Appendix “C”. Staff supports that the ground floor area be used for these employee services uses for employee assembly, social, recreational, and health & welfare activities with the remainder of the ground floor for 2 respite units and up to 4 dwelling units; however, specific space allocation will need to be determined prior to third reading. The final space allocation for employee services uses will be registered in a development covenant prior to adoption of the amending bylaw.

The bylaw amendment increases the permitted site coverage from 20 to 21 percent to accommodate the new building. The proposed amending bylaw increases the permitted building height from 13.6 to 14.7 metres for the proposed building only. The site coverage and height increases are necessary for the 6-storey structure to be built in this location which is close proximity to the mountain operations and access to the Village.

These proposed zoning amendments outlined above support the development of more housing for more employees to live within Whistler’s municipal boundaries and provide this type of housing as part of the diverse mix of quality housing which are consistent goals with the OCP, Whistler 2020 and evaluation criteria for private sector employee housing initiatives.

### **Development Agreement and Housing Agreement**

Staff are working with the applicant to secure other details with respect to this project, including the achievement of a high standard of quality in the design of the new building and restrictions on the rental rates and the occupancy of the employee housing units. Staff are reviewing the proforma and rental rate data submitted from the applicant and recommend that, prior to the bylaw receiving third reading, the rental rates be resolved.

Staff are also working with the applicant to determine who will be a qualified whistler business and who will be considered as a qualified employee to occupy these somewhat unique dormitory style employee housing units.

Some of these details are beyond the scope of zoning regulations and need to be secured by means of agreements with the property owner (development agreement and housing agreement) and entered into as a “prior to adoption” condition and then registered on title or held on a solicitor’s undertaking to register upon bylaw adoption.

These agreements are to be registered in favour of the RMOW. A separate bylaw is needed to authorize housing agreement provisions. A separate report outlining the provisions and associated housing agreement bylaw will be brought forward for Council consideration.

## **Zoning Bylaw No. 303 - Variances**

### **Parking**

Under the RM13 Zone, the number of required off-street parking spaces is 1 parking space per dwelling unit with a gross floor area of 55 square metres or less. The original proposal requested a parking space variance from 60 to 0 new parking spaces for the proposed 60 dwelling units. The applicant was requested to provide further rationale and details and explore opportunities to secure some additional parking on or off the site.

In October 2019 a revised site plan with parking analysis was submitted for review. The analysis outlines their efforts to reduce the demand for parking through a variety of methods; a hiring practice which discourages bringing vehicles, proposed additional parking spaces, a contribution to transit service costs, gondola passes to access the Village, provision of shuttle bus services to Squamish/Vancouver and the operation of a car ride share program. The applicant's parking rationale is attached as Appendix C. In November 2019 the number of proposed dwelling units in the proposed building was increased from 60 to 66 dwelling units which requires 66 additional parking spaces.

The revised plan shows a net gain of 14 parking spaces on-site. This reduces the requested variance from 66 to 52 parking spaces. There will be a total of 168 parking spaces available for employee residents with 151 parking spaces on-site plus 17 parking spaces off-site secured by covenant with the 1997 rezoning application.

Vail Resorts' transit contribution in 2019 was \$93,000 to sponsor free rides to employees from 6 pm to 8 am daily from mid December 2018 to late April 2019. This contribution is currently subject to annual negotiations. Vail Resorts is committed to a 10-year agreement; however, staff recommend a 25-year commitment. As well, with increased housing and tenants requiring transit service, a review of service levels, particularly during late evening and early morning hours, is required. The required agreement will create a more stable contribution for the funding of the transit service.

All employee residents are permitted to use the Excalibur Gondola to access the village during standard operating hours in the winter from 8:00 a.m. to 6:00 p.m. A shuttle bus employee discount program to Squamish and Vancouver will continue to be offered and Vail is reviewing their commitment to the existing car share program to determine if additional vehicles are required or if there is another option for vehicle use that can be offered to reduce the need for parking spaces by employees at this location.

Staff support the parking variance based on the applicant's continued multiple efforts and contributions as outlined above.

### **Building**

The proposed development under DP1698 requires a variance for the proposed building from the parcel line adjacent to the ski in/out route as follows:

1. Vary the setback adjacent to ski in/out route from 7.6 metres to 5.9 metres.

The requested 1.7 metres reduction in the setback is required for a corner of the proposed building as shown on the site drawing in Attachment B. The intention is to keep the mature trees and plant additional deciduous to replace trees removed for the construction of the building to maintain a treed screen from the ski in/out route. The building setback variance is supportable as it is for a small portion of the building that does not face a residential or commercially developed parcel.

Details of the tree planting scheme will be a condition of the development permit required for the project.

### **Advisory Design Panel Review**

The project was reviewed by the Advisory Design Panel (ADP) at their July 17, 2019 meeting. Overall the ADP supports the project as described in Administrative Report No. 19-109. Revised plans will be presented to the ADP on November 20, 2019.

ADP's recommendation will be forwarded to Council for review with the development permit for consideration of issuance of the permit. Prior to the issuance of the development permit the applicant will need to provide a letter of credit, or other approved security, in the amount of 135 percent of the costs of the hard and soft landscape works as security for the construction and maintenance of these works.

### **WHISTLER 2020 ANALYSIS**

The proposed zoning amendment supports Whistler 2020 Built Environment, Economic, Resident Housing and Transportation strategies as described in Administrative Report No. 19-109 to Council.

### **OTHER POLICY CONSIDERATIONS**

#### **Official Community Plan**

The proposed zoning amendment is consistent with Official Community Plan policies and development permit area guidelines, and guidelines for evaluating private sector rezoning proposals for employee housing as described in Administrative Report No. 19-109.

#### **Fire Smart Development Permit Area**

The proposal complies with the Fire Smart requirements of the pending Official Community Plan. Fire resistant siding and roofing materials are proposed, and conifer trees will be minimized adjacent to the building.

#### **Green Building Policy G-23**

A covenant on title will be required to ensure the new building is developed in accordance with Whistler's Green Building Policy objectives.

### **BUDGET CONSIDERATIONS**

The development is exempt from the employee housing charge under the Municipal Employee Housing Services Bylaw (Bylaw 1507) because the proposed dwelling units are being constructed and subject to restriction on title requiring occupation of the units by employees only.

The proposed development is subject to the charges under the Municipal Works and Services Bylaws 1503, 1504, 1505 and 1506 for water, sewer, transportation and recreation services. Building Permit fees and applicable Works and Service charges are calculated and collected at time of building permit application.

All costs associated with the rezoning application and legal fees will be paid by the applicant and all fees will be required to be paid in full as a condition of adoption of the zoning amendment bylaw.

## **COMMUNITY ENGAGEMENT AND CONSULTATION**

The required rezoning application site information sign has been posted on the property.

As part of the evaluation process for private sector rezoning proposals a Public Open House was held on September 23, 2019 by the applicant and RMOW staff to gather input from the public on the proposal. There were no attendees at the meeting and no written correspondence has been received to date.

A Public Hearing, which is subject to public notice requirements, is required as part of the statutory process for bylaw consideration and adoption.

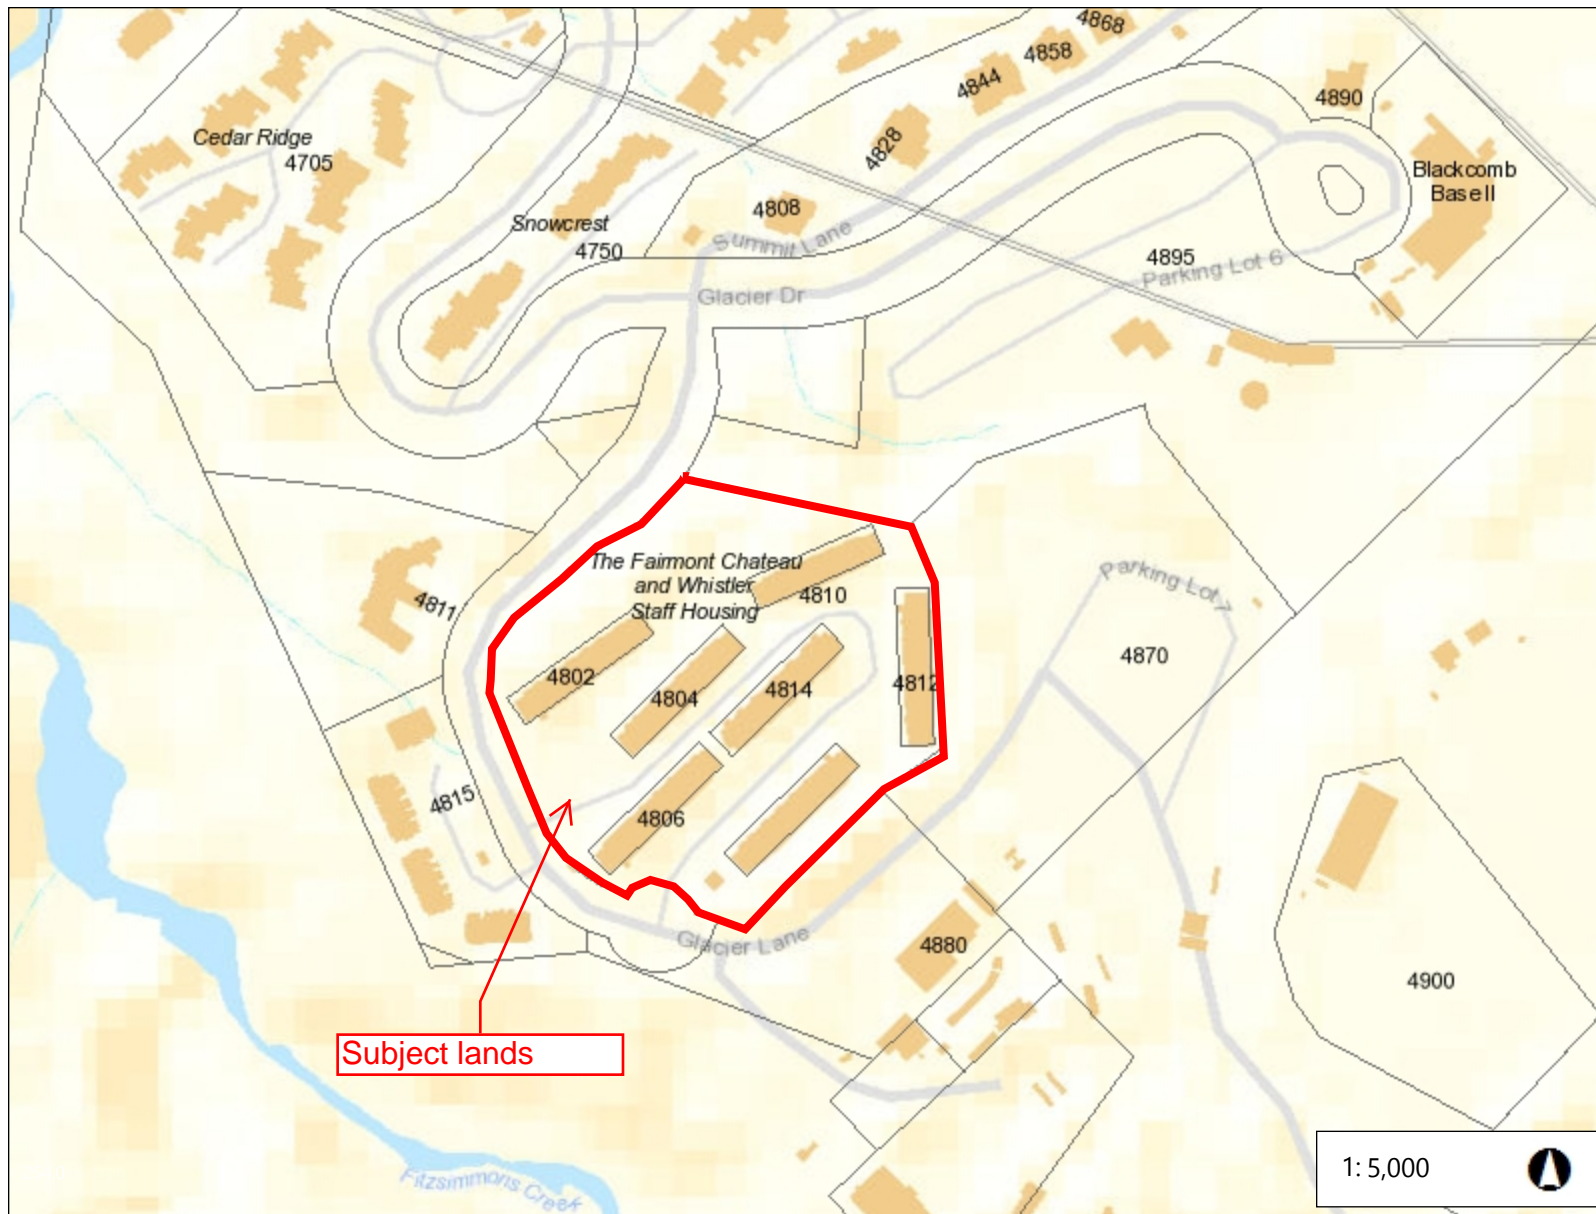

## **SUMMARY**

This Report recommends that Council consider giving first and second readings to “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”, that Council direct staff to schedule a Public Hearing regarding “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”, and further identifies conditions for the applicant to address prior to consideration of third reading and of adoption of “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”.

## APPENDIX C

Robert Brennan, MCIP  
Planner, Planning & Development  
Resort Municipality of Whistler  
4325 Blackcomb Way  
Whistler, BC V8E 0X5

*Sent via email to: rbrennan@whistler.ca*

Dear Mr. Brennan:

Reflective of Vail Resorts' commitment to employee housing projects and Whistler Blackcomb's ongoing efforts to develop additional seasonal staff accommodation, we were thrilled to present our Glacier 8 Employee Housing Project to the Resort Municipality of Whistler Advisory Design Panel on July 17.

Whistler Blackcomb provides an affordable, reliable and safe home to hundreds of seasonal employees. Whistler Blackcomb currently houses approximately 30% of our seasonal workforce. Our largest inventory of housing is dorm-style accommodation at the existing Glacier Lane complex, largely reserved for first-year, seasonal employees.

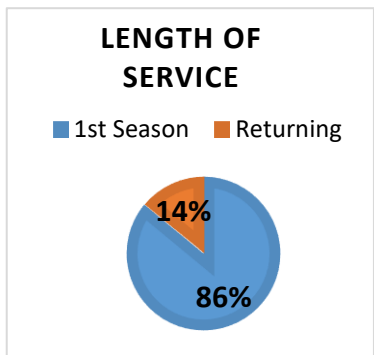

The Glacier Lane complex consists of five dorm-style buildings owned by Westwind Apartments Ltd. and operated through a master lease by Whistler Blackcomb. The complex also includes two similar buildings owned and operated by Oxford Properties. The majority of these buildings are two-bedroom units that sleep 4 people. Each unit has living and kitchen facilities and a washroom.

Essentially, this housing is modeled after a university-type dorm experience, complete with in-dorm advisors, wellness supports, transit, events, discount meals, and customized shuttle services to Squamish.

The Glacier 8 Employee Housing Project will be the last building at the complex, and is modelled on the existing accommodations at Glacier Lane, which we have detailed in this letter for your reference.

### ***First-Year, Seasonal Employee Demographics***

The majority of our residents are first-year employees with an average age of 22. They come to Whistler for a job in the ski industry and an experience of a lifetime. They tend to be social and have a strong desire to meet new people, create new friendships and spend their off hours on the mountain. Fully furnished, shared dorm-style accommodation with communal social space is ideal for these residents.

### *Whistler Blackcomb's Housing Inventory*

The main purpose of Whistler Blackcomb's housing program is to offer a safe, affordable and supportive environment for our first-year, seasonal staff. While returning employees are encouraged to secure their own housing, we do have housing available for returning staff.

#### Glacier Lane – Dorm-Style Accommodation

The Glacier Lane complex sits just uphill from the mid-station of the Excalibur Gondola. The five buildings operated by Whistler Blackcomb include 231 two-bedroom units that sleep 4 people. Each unit has living and kitchen facilities and a washroom. Essentially, this housing is modelled after a university-type dorm experience, complete with in-dorm advisors, wellness supports, transit, events, discount meals, and customized shuttle services to Squamish. The beds at this location are reserved for first-year staff.

#### Brio - Apartments

Brio is located just outside of the main village. These units are slightly larger than our Glacier Lane dorm-style units. They each have a living area with a patio, washroom and a full kitchen and eating area. The beds at this location are reserved for first-year staff. Brio is comprised of 44 units:

- 32 two-bedroom units with 4 beds per unit; and
- 12 one bedroom units that are ideal for couples.

#### Westside - Apartments

Westside is located on Alta Lake Road, with units comparable to Brio. This building houses a mix of first-year and returning staff. It is comprised of 47 units:

- 39 two-bedroom units with 4 beds per unit; and
- 8 one-bedroom units that are ideal for couples. They are roughly the same size as Brio. This building has a mix of first year and returning staff.

#### Valley Houses – Condo, Townhouses, Single Family Homes

We rent numerous houses throughout the valley from private homeowners and property managers. The beds in these houses are reserved for sponsored and returning staff.

## ***Transportation***

Vail Resorts Commitment to Zero and the transportation and climate action and energy goals of the renewed Resort Municipality of Whistler's Official Community Plan both promote transportation alternatives that make owning and operating a vehicle in a location in close proximity to our pedestrian village unnecessary.

Approximately 90% of our residents arrive at Whistler Blackcomb by bus. We limit parking at all of our employee housing locations. We strongly recommend that residents do not come with a vehicle and have built a transportation program and best practices that fosters this type of lifestyle for our residents.

- Residents are allowed to ride the Excalibur Gondola to access the village. The standard operating hours for the Gondola in the winter are 8:00 a.m. to 6:00 p.m.
- The #7 Staff Housing Bus is free for residents to ride between 6:00 p.m. and 8:00 a.m. Whistler Blackcomb covers the majority of the cost and Fairmont and Gibbons make a financial contribution to this free service.
- Whistler Blackcomb provides free shuttle bus trips to Squamish and Vancouver through Club Shred, our employees discount program.
- There is a Zip Car available and we are willing to provide parking for more.
- Promoting the Free Transit on the weekends and holidays program in the summer.

## ***Social Programming***

Whistler Blackcomb's House Advisor Program has been in operation for more than 20 years. This program is modeled on university resident assistance programs. Whistler Blackcomb has six full-time House Advisors and one Outreach Worker on staff. These employees are responsible for building community and creating a sense of belonging for our residents. They assist with lockouts and emergencies. In the winter months, they hold 10-15 alcohol-free events per week to encourage additional health and wellness.

This team is anticipated to grow with the addition of the Glacier 8 Project. Furthermore, the proposed common space proposed for Glacier 8 will give our House Advisor team space to hold events and additional room for resident socialization. We would also consider providing office space in this area for more outreach and counselling services.

## ***Meal Options***

During the winter season, the staff meal program called Mountain Meals operates five nights a week. Residents can walk to the 18 Below Restaurant (located at Base II) to purchase a \$7 meal, including: soup, salad, entree, dessert and fountain pop. The House Advisors are present at these meals to help build community and hold events.

This year Whistler Blackcomb also launched a \$5 meal option for staff. At many of the main restaurants, staff have a meal option that includes: sandwich/main, salad, fruit and coffee/fountain pop. Staff also

receive 25% off at Whistler Blackcomb's village restaurants (excludes alcohol).

### ***Security***

The House Advisors are on duty every night to respond to personal/emotional and medical emergencies. A Whistler Blackcomb maintenance team member is also on call every night to respond to maintenance emergencies and fire alarms.

The buildings and rooms are equipped with RFID keys that are programed at the office. There are security cameras in each building monitoring entrances, hallways, stairwells and lounges. We are currently testing new a new intercom system so residents can control access of the front entrances.

### ***Garbage & Recycling***

Our dedication to reducing our garbage to landfill is visible through our Waste Reduction Program in House which is in its third year. The program mirrors that of the rest of Whistler Blackcomb operations so residents are recycling the same way at home and work. In the last three years there has been a 15 tonne reduction in waste landfill, with more than 250 tonnes of recycling and 57 tonnes of compost collected.

We have support from Fairmont and GFL to relocate the garbage and recycling centre into the centre of the complex and place it into a small structure. This will help increase proper disposal of items, as residents will have a dry, contained location to sort items. The structure will also allow more education through signage.

We welcome any further questions you may have about how we expect the Glacier 8 building to function.

Sincerely,

Nicole

**Nicole Baudisch**

**Senior Manager of Employee Services and HOUSE, Human Resources**

## VailResorts - Parking Analysis October 2019

The following parking information is intended to provide updated information on parking at the existing Glacier Lane complex, including the proposed new Glacier 8 building.

Vail Resorts Commitment to Zero and the transportation and climate action and energy goals of the renewed Resort Municipality of Whistler's Official Community Plan both promote transportation alternatives that make owning and operating a vehicle in a location in close proximity to our pedestrian village unnecessary.

Approximately 90% of our residents arrive at Whistler Blackcomb by bus. Our recruiters and hiring teams strongly recommend that residents do not come with a vehicle and have built a transportation program and best practices that fosters this type of lifestyle for our residents. This includes:

- Residents are allowed to ride the Excalibur Gondola to access the village for free. The standard operating hours for the Gondola in the winter are 8:00 a.m. to 6:00 p.m.
- The #7 Staff Housing Bus is free for residents to ride between 6:00 p.m. and 8:00 a.m. Whistler Blackcomb covers the majority of the cost and Fairmont and Gibbons make a financial contribution to this service so it is offered free to all Glacier residents.
- Whistler Blackcomb provides free shuttle bus trips to Squamish and Vancouver through Club Shred, our employees discount program.
- There is a Zip Car available onsite.
- Promoting the Free Transit on the weekends and holidays program in the summer.

Demand for shuttle services to Squamish is continually monitored by our House team, and we will continue to offer additional free shuttles to Squamish. We have also found that utilization of food delivery service from Walmart and other grocers is increasing, negating the need for staff to take shuttle or transit for food shopping. The shuttle service to Squamish is most frequently used in the beginning of the season as residents get the items necessary for the winter. Whistler Blackcomb has not observed a need for additional frequency of this shuttle; however, if demand does increase, additional buses can be added to meet that demand.

There are currently 137 parking spaces in the complex, with 129 spaces available in the winter given snow dump requirements. Whistler Blackcomb operates 87 of these parking spaces. The remaining 50 are operated by Fairmont/Oxford, pursuant to existing agreements. During the winter, utilization of these 87 spaces is between 95-100%. During summer, utilization is approximately 50%. The 87 parking spaces are managed through a parking permit system. Permits require an additional fee for residents who bring a car, which is an additional measure in place to discourage employees from bringing personal vehicles.

This project has identified the opportunity to add an additional 17 spaces within the complex. The proposed waste storage facility will result in the loss of three existing spaces, bringing to the total net new spaces to 14 spaces. This will result in a total of 151 spaces, with approximately 143 spaces available in the winter with snow dump requirements. This is an increase of over 10% in available parking spaces.

There is currently one Zip Car on site. As part of our parking management and analysis with this project, we have requested utilization data from Zip Car to determine if additional car sharing resources are appropriate for this location.

In addition, there are bike racks located on the property. Observation of residents is that many residents do bring bikes but store them in their unit for additional security, even though facilities are offered on site.

## REPORT | ADMINISTRATIVE REPORT TO COUNCIL

**PRESENTED:** November 19, 2019  
**FROM:** Corporate and Community Services  
**SUBJECT:** AMENDMENTS TO COUNCIL POLICY I-06: PARKS AND RECREATION FEES AND CHARGES POLICY

**REPORT:** 19-149  
**FILE:** REC2019-I06

### COMMENT/RECOMMENDATION FROM THE CHIEF ADMINISTRATIVE OFFICER

**That** the recommendation of the General Manager of Corporate and Community Services be endorsed.

### RECOMMENDATION

**That** Council adopt the amended version of *Council Policy I-06: Parks and Recreation Fees and Charges Policy* attached as Appendix “A” to Administrative Report to Council No. 19-149.

### REFERENCES

Appendix “A” – *Council Policy I-06: Parks and Recreation Fees and Charges Policy*

Appendix “B” – Marked up version of *Council Policy I-06: Parks and Recreation Fees and Charges Policy*

### PURPOSE OF REPORT

The purpose of this Report is to present the amended version of *Council Policy I-06: Parks and Recreation Fees Policy* and Charges for Mayor and Council’s consideration.

### DISCUSSION

Over the last couple of years, there have been various recreation product additions and/or adjustments that have occurred through negotiation of a recent agreement, lack of sale of certain products and a realization by staff that a key product is not guided by council policy or bylaw. Staff also noticed some spelling and formatting errors which they seek to correct. This Report seeks to formalize these changes by amending *Council Policy I-06* accordingly. This Policy was last updated in March of 2019 by Resort Experience due to the addition of the new artificial turf field.

Appendix “A” shows the revised policy document while Appendix “B” shows the “marked up” copy of the policy showing proposed edits, deletions or additions.

Key changes to the Policy include:

- Minor language, formatting and grammatical changes to remain consistent with what is communicated to the public.
- Addition of an External Personal Training (EPT) rate into the policy that allows charging any registered third party personal trainers twice the base rate when accessing the Meadow Park

Sports Centre (MPSC) to train clients. Presently the EPT rate is 1.65 times the base rate. Staff seek to increase this as the intent is to offer a non-subsidized rate for this particular product due to its commercial nature.

- Deleting Court Upgrade Passes section as this product was sold only a handful of times in the last two years.
- Adjusting language so youth aged 16 to 18 who have parental consent can access drop in hockey in the same manner as adults.
- Deleting the ten-time drop in sports pass product as customers are not using this product.
- Adding Whistler Waldorf School into the policy to allow similar access to MPSC as SD 48 and SD 43 (Whistler).
- Adjusting the sessional programming clause to be applicable to the entire facility if required in the future. This policy was recently useful in supporting the swim club with acquiring sole use of the lanes in the lap pool for several hours a week due to their recent increased enrollment in child and youth swim programs.

## Background

The practice of updating a council policy assists staff in supporting recent or future anticipated changes in recreation products, programs or services,

## WHISTLER 2020 ANALYSIS

W2020 Strategy	TOWARD Descriptions of success that resolution moves us toward	Comments
Recreation and Leisure	Recreation and leisure are part of the Whistler lifestyle and all community members are able and encouraged to participate	Pass discounts, promotions, affordability measures and low use time pricing further encourage recreation facility access
Recreation and Leisure	The cost of amenities is covered within the resort community's financial means and is equitably shared among stakeholders	User fees assist in recovering significant annual operating cost for recreation services and facilities
Resident Affordability	Diverse and affordable opportunities for recreation, leisure, arts and culture exist	This policy supports recreation pass products or promotions that assist with the resident affordability strategy
Visitor Experience	Community members' passion for Whistler inspires visitors, and interaction among the two groups creates memorable experiences	MPSC, Lost Lake Nordic Trails and the skating rink in the Village offer opportunities for locals and guest to interact
Health and Social	Community members and visitors maintain and improve their physical, mental, spiritual and social health through prevention and treatment services	Parks and recreation amenities help develop an active lifestyle
Partnership	Partners participate in policy making and other decisions at various levels of government where relevant	Whistler Waldorf School is now provided similar access to MPSC as SD 48 and SD 43 as part of this policy update

## **OTHER POLICY CONSIDERATIONS**

Consistent with Corporate Plan Goals. “Corporate policies and operations ensure continuous excellence in infrastructure, facility and program management”, and “Corporate financial health is optimized to ensure long term community success”.

## **BUDGET CONSIDERATIONS**

By adjusting the EPT rate as proposed, it is estimated to generate approximately an incremental \$8,000 in revenue per year

## **COMMUNITY ENGAGEMENT AND CONSULTATION**

The updated Council Policy was presented and discussed at the October 10, 2019 Recreation Leisure Advisory Committee meeting and the following resolution was supported by the Committee:

“That the Recreation Leisure Advisory Committee support the proposed amendments to *Council Policy I-06*”.

## **SUMMARY**

Staff is seeking to have Mayor and Council adopt the updated version of *Council Policy I-06: Parks and Recreation Fees and Charges Policy*.

Respectfully submitted,

Roger Weetman  
MANAGER OF RECREATION

for  
Ted Battiston  
GENERAL MANAGER OF CORPORATE AND COMMUNITY SERVICES

**THE RESORT MUNICIPALITY OF WHISTLER  
COUNCIL POLICY****POLICY NUMBER: I-06****DATE OF RESOLUTION: NOVEMBER 19,  
2019****PARKS AND RECREATION FEES AND CHARGES POLICY****1.0 SCOPE OF POLICY**

This policy applies to the delivery of recreation services in the areas of registered programs, general admissions, passes, cross country skiing, snowshoeing and facility rental.

**2.0 PURPOSE**

Fees and charges are established, structured and administered to ensure that:

- 2.1 The parks and recreation departments are operating within their financial means,
- 2.2 Fees and charges are equitable and consistent,
- 2.3 The cost of programs and services is not a major hindrance to participation,
- 2.4 Access is not restricted for individuals who are financially challenged.

**3.0 GUIDING PRINCIPLES**

Guiding Principles form a framework for effective fees and charges policies. They are based on statements from the Corporate Plan, Whistler 2020: Comprehensive Sustainability Plan, the RMOW Five Year Financial Plan and the Official Community Plan.

- 3.1 Ensure the economic viability of recreational programs,
- 3.2 Enrich community life by being responsive to our citizen's needs,
- 3.3 Enhance the resort experience by providing high quality facilities and services,
- 3.4 Continue to be more creative and innovative to achieve our goals,
- 3.5 Be designed to encourage maximum participation.

**4.0 GENERAL FEE POLICIES**

- 4.1 Fees and charges will be applied to all parks and recreation programs and facilities.

**4.2 Promotional Initiatives**

To encourage innovative delivery of services, and maximize revenue potential, marketing and promotion initiatives will be undertaken from time to time that may reduce rates. These initiatives will be approved by the Management Team (see section 4.5 for definition) and tracked/evaluated on a regular basis.

**4.3 Recreation Assistance Program**

As recreation services are considered essential to a healthy community, and the municipality recognizes residents' ability to pay varies, the department will continue to maintain the municipal recreation assistance program and update the program as required to align with the current economic reality.

#### **4.4 Resident Affordability**

To encourage participation in recreational activities, the RMOW will continue its significant investment in affordable recreation initiatives.

#### **4.5 Waived and Reduced Fees**

Fees and charges may be reduced or waived, by the General Manager of Corporate and Community Services, General Manager of Resort Experience, Manager of Recreation, Manager of Parks Operations or the Manager of Village Animation and Events (hereby referred to as the Management Team) if significant social or substantial economic benefit to the resort community is deemed to be derived by any member of the Management Team.

#### **4.6 User Classifications**

The various age groups have been established to provide guidance in the establishment of rate structures.

Adult: 19 years of age or older  
Youth: 13 through 18 years  
Children: 4 through 12 years (7 through 12 years for Cross Country)  
Infant: under 4 years is free (under 7 years free for Cross Country)  
Family: an adult, their spouse and all their dependents under 19 years of age (including foster children) living within the same household.

#### **4.8 Competitive Analysis**

A market analysis of other resort communities offering products of a similar nature and specification, in both the public and private services in the Lower Mainland and Sea to Sky corridor, with similar facilities to the Resort Municipality of Whistler, will be undertaken approximately every 5 years to ensure fees and charges remain competitive.

4.9 Fees and charges will be increased on an annual basis on January 1<sup>st</sup> of each year for facility rental charges. Meadow Park Sports Centre admissions/passes will be increased bi-annually on January 1<sup>st</sup> and at the beginning of each winter season for Cross Country Skiing and Snowshoeing. Program Fees will be increased as deemed necessary to meet the requirements identified in section 6.0 of this policy.

4.10 Credits on account in the Parks and Recreation Departments software system may be eliminated if not used after two years.

### **5.0 ADMISSION POLICIES**

#### **5.1 General Admissions**

The adult rate for one-time use of a specific facility will be used as the Base Rate (BR) as established through bylaw adoption and item 4.8 above. The adult rate for a cross country ski day ticket will be used as the Cross Country Base Rate (XCBR). Rates may be adjusted to permit the rounding of rates for efficient administration.

*MPSC Admission Rates Formula:*

<b>User</b>	<b>Admission Rate</b>
Adult/Senior	Base Rate
Youth	60% of base rate
Children	50% of base rate

Family and EPT*	2 x base rate
All Day	1.5 x user (Adult, Youth, Child, Family) base rate
Drop-in Hockey	1.3 x user (Adult, youth) base rate = HBR
Court Upgrade	50% of user (Adult, Youth, Child, Family) base rate = CUBR
Shower (20 min)	50% of base rate
Rentals (Skate and Squash)	50% of base rate
Family Rentals	3 x (50% of base rate)

\*"EPT" External Personal Training

"Drop-in" One time entry only

"All Day" Allows in and out privileges for the day purchased

*Cross Country Admission Rates Formula:*

User	Admission Rate
Day XC	user (Adult, Youth, Child, Family) XCBR
Night XC	50% x user (Adult, Youth, Child Family) XCBR
Snowshoe Day	50% x user (Adult, Youth, Child, Family) XCBR
Nicklaus North Only XC	50% x user (Adult, Youth, Child, Family) XCBR

## 5.2 Playtime and Active Member passes for Meadow Park Sports Centre (BR is the drop in rate for the Meadow Park Sports Centre)

10 X*	20 X*	30 X*	1 Month	3 Month	6 Month**	Annual**
8.5 x BR	15 x BR	20 x BR	9 x BR	22 x BR	37 x BR	63 x BR

\*One year expiry from date of purchase for all 10X, 20X and 30X pass products.

\*\*Whistler Experience Spirit pass reduction of five (5) percent from the six month and annual pass rate for adults only. Proof of annual Chamber of Commerce participation in related program required to qualify for Whistler Experience Spirit pass purchase.

## 5.3 Adult Drop-in Hockey: Youth 16 to 18 years may also participate provided a parental consent form has been signed and is on file. Includes admission to the rest of MPSC in same visit.

A) Hockey: HBR based on Adult drop in Hockey rate

**10 X\***

8.5 x HBR

NO 20 X, 30 X or monthly passes available

\*One year expiry from date of purchase.

## 5.4 Cross Country Skiing and Snowshoeing Passes (XCBR based on Cross Country or Snow shoeing day ticket rate)

Book of 5	Book of 10	Season	Extra Early Bird	Early Bird	Night
4.5 x XCBR	8 x XCBR	14 x XCBR*	Seas. Pass X 75%	Seas. Pass X 80%	.5 x XCBR

\*Whistler Experience Pass calculated at 75% Regular Seasons Pass Price for adults only. Proof of annual Chamber of Commerce participation in related program required to qualify for Whistler Experience pass purchase.

## **5.5 Low use time of day and/or week Discounts for MPSC**

A discount of up to 25% off may be provided for admission or pass products whereby the facility has experienced historical low use (i.e. early morning, late evening or middle of the day on weekdays).

## **5.6 Use by School District 48, Ecole La Passerelle (Whistler) and Whistler Waldorf School**

Use of Pool, Arena and Fitness Centre during school hours by School District #48, Ecole La Passerelle (Whistler) and Whistler Waldorf School is at no charge except where additional staffing and equipment is necessary. Extra staffing fees and other services fees (example: skate rental fees) will be charged to the schools when appropriate.

## **5.7 Free Grade 5 and 10 annual passes**

All Grade 5 and 10 Whistler (resident) students will be provided a free MPSC annual pass providing unlimited free access to the pool, public skating, squash courts and to the Fitness Centre (for Grade 10's over 16 years of age or who have completed the Youth on Weights program). Passes are valid from October 1<sup>st</sup> of the grade 5 or 10 school year to September 30<sup>th</sup> of the next year.

## **5.8 Free access to attendants who assist persons with disabilities**

The Recreation department will provide free access to attendants who assist persons with disabilities who need support to swim, skate, exercise in fitness centres, visit parks, and participate in recreation programs.

We define support as assistance of a physical, psychological, emotional, intellectual, or sensory nature to ensure that the patron with the disability is able to participate.

# **6.0 PROGRAM POLICIES**

## **6.1 Direct Program Cost Recovery**

The overall goal is to recover all direct program costs from fees and charges.

- Direct costs include materials, transportation, activities, staffing, facilities (non-municipal) or room use (municipal), plus all applicable provincial and federal taxes.
- The formula to determine the fee for each program will be based on minimum registration.
- The required percentage of cost recovery will be set for each program based on community priorities and set by the Management Team.
- Resident\*\* and non-resident rates may be established for programs (see 6.3)
- Non-local rates shall always be established to achieve, at least, 100% cost recovery.

## **6.2 Resident Priority**

Whistler residents may be given up to one week priority to register for programs.

## **6.3 Program surcharge for non-residents**

Program fees will reflect a difference between a resident and non-resident, as deemed appropriate by the Management Team, up to a maximum difference of 33%.

## **6.4 Resident Program Pricing Eligibility**

To be eligible for resident program pricing, proof of residency (i.e. utility bill, property tax bill or approved identification that shows civic address and/or verifies name on

account accordingly) may be required on an annual basis as determined by the Management Team.

## 6.5 Drop in Programs registration

All Drop in program registration spots will be open 30 minutes prior to the start of each program session and is available for “in person” sign up (for that person) only. This includes, but is not limited to, Drop in (Open) Sports, Drop in Hockey and all “included” fitness classes.

## 6.6 Out of School Care and Summer Camp Program Notice of Changes or Withdrawal

To receive a refund or credit on account for any cancellations or changes, we require one calendar months’ notice in writing to [kotg@whistler.ca](mailto:kotg@whistler.ca) or by calling 604.905.8370. (i.e. Notification must be received by May 31<sup>st</sup> for any changes in the month of July)

## 6.7 Non-refundable Deposits for Day camp Programs

A 25% non-refundable deposit will be collected for all day camp programs upon registration.

## 6.8 Sessional Programming

Sessional programming may occur throughout the facility as operationally required limiting space to the public in the pool area, fitness centre/studio, arena and courts at certain times of the day or week.

# 7.0 RENTAL POLICIES

## 7.1 Facility Rental Rates Formula

(Indoor Room Rental Rates based on room size, facility attributes, and equipment included)

Adult Base Rental Rate =	RR <sup>1</sup>
Child Base Rental Rate =	RR <sup>2</sup>
Local** – Adult	RR <sup>1</sup>
Local** – Child/Youth	RR <sup>2</sup> (66% of RR <sup>1</sup> )
Local** - Commercial or admission charged-Adult	133% RR <sup>1</sup>
Local Commercial, admission charged or Out-of Town – Child/Youth	RR <sup>1</sup>
Out-of-Town - Commercial or admission charged- Adult	166% RR <sup>1</sup>
Registered Agencies: Gov/Edu/Charities/Non-profit- Adult	85% RR <sup>1</sup>
Registered Agencies: Gov/Edu/Charities/Non-profit- Child/Youth	85% RR <sup>2</sup>
Corporate Valuing:	+200% RR <sup>1</sup>

### Exceptions:

- Ice & pool MPSC: Local Youth 50% of RR1 & Youth Commercial/Out of Town 75% of RR1
- Andree Vajda Janyk Sports Field interim Facility Rental Fees (based on comparable market rates, facility attributes, supply & demand)

**Local\*\*:** individuals paying into Whistler residency tax base (renter, owner or second homeowner within Whistler), Whistler-based community groups, Whistler-based commercial businesses (permanent business location in Whistler).

- **Exceptions:** Local Youth Groups - Community or Recreation will not be charged for park and playfield use except for the Andree Vajda Janyk Sports Field.

## **7.2 Reductions**

At the discretion of the Management Team, up to a 15% reduction in the rental rate for the facilities will be considered for frequent facility users who book one month in advance.

Also, reductions may be given to facility users or third party booking agents who are willing to rent a facility in predetermined blocks of time or for longer term bookings.

## **7.3 Facility Rental Priority**

All Parks and Recreation facilities are allocated according to the following priority unless otherwise indicated by any member of the Management Team on a case by case basis:

1. Resort Municipality of Whistler (Parks and Recreation) Programs
2. Local community, recreation and school groups
3. Local commercial groups
4. Out-of-town groups

## **7.4 Additional Charges**

The Parks and Recreation Departments shall establish additional rental charges for other services, such as, but not limited to:

Setup and cleanup,  
Operation of a bar to sell liquor,  
Operation of a concession,  
Additional staffing (pre and post event or during a booking),  
Extra equipment,  
Percentage of vending or ticketed event sales,  
Fencing, and  
Administration.

## APPENDIX B

### THE RESORT MUNICIPALITY OF WHISTLER COUNCIL POLICY

POLICY NUMBER: I-06

DATE OF RESOLUTION: NOVEMBER 19,  
2019

Deleted: MARCH 26

#### PARKS AND RECREATION FEES AND CHARGES POLICY

##### 1.0 SCOPE OF POLICY

This policy applies to the delivery of recreation services in the areas of registered programs, general admissions, passes, cross country skiing, snowshoeing and facility rental.

##### 2.0 PURPOSE

Fees and charges are established, structured and administered to ensure that:

- 2.1 The parks and recreation departments are operating within their financial means,
- 2.2 Fees and charges are equitable and consistent,
- 2.3 The cost of programs and services is not a major hindrance to participation,
- 2.4 Access is not restricted for individuals who are financially challenged.

Deleted: living

##### 3.0 GUIDING PRINCIPLES

Guiding Principles form a framework for effective fees and charges policies. They are based on statements from the Corporate Plan, Whistler 2020: Comprehensive Sustainability Plan, the RMOW Five Year Financial Plan and the Official Community Plan.

- 3.1 Ensure the economic viability of recreational programs,
- 3.2 Enrich community life by being responsive to our citizen's needs,
- 3.3 Enhance the resort experience by providing high quality facilities and services,
- 3.4 Continue to be more creative and innovative to achieve our goals,
- 3.5 Be designed to encourage maximum participation.

##### 4.0 GENERAL FEE POLICIES

- 4.1 Fees and charges will be applied to all parks and recreation programs and facilities.

##### 4.2 Promotional Initiatives

To encourage innovative delivery of services, and maximize revenue potential, marketing and promotion initiatives will be undertaken from time to time that may reduce rates. These initiatives will be approved by the Management Team (see section 4.5 for definition) and tracked/evaluated on a regular basis.

##### 4.3 Recreation Assistance Program

As recreation services are considered essential to a healthy community, and the municipality recognizes residents' ability to pay varies, the department will continue to maintain the municipal recreation assistance program and update the program as required to align with the current economic reality.

#### 4.4 Resident Affordability

To encourage participation in recreational activities, the RMOW will continue its significant investment in affordable recreation initiatives.

#### 4.5 Waived and Reduced Fees

Fees and charges may be reduced or waived, by the General Manager of Corporate and Community Services, General Manager of Resort Experience, Manager of Recreation, Manager of Parks Operations or the Manager of Village Animation and Events (hereby referred to as the Management Team) if significant social or substantial economic benefit to the resort community is deemed to be derived by any member of the Management Team.

#### 4.6 User Classifications

The various age groups have been established to provide guidance in the establishment of rate structures.

Adult: 19 years of age or older  
Youth: 13 through 18 years  
Children: 4 through 12 years (7 through 12 years for Cross Country)  
Infant: under 4 years is free (under 7 years free for Cross Country)  
Family: an adult, their spouse and all their dependents under 19 years of age (including foster children) living within the same household.

#### 4.8 Competitive Analysis

A market analysis of other resort communities offering products of a similar nature and specification, in both the public and private services in the Lower Mainland and Sea to Sky corridor, with similar facilities to the Resort Municipality of Whistler, will be undertaken approximately every 5 years to ensure fees and charges remain competitive.

Deleted: ;

- 4.9 Fees and charges will be increased on an annual basis on January 1<sup>st</sup> of each year for facility rental charges. Meadow Park Sports Centre admissions/passes will be increased bi-annually on January 1<sup>st</sup> and at the beginning of each winter season for Cross Country Skiing and Snowshoeing. Program Fees will be increased as deemed necessary to meet the requirements identified in section 6.0 of this policy.

Deleted: required on an ongoing basis as required

- 4.10 Credits on account in the Parks and Recreation Departments software system may be eliminated if not used after two years.

### 5.0 ADMISSION POLICIES

#### 5.1 General Admissions

The adult rate for one-time use of a specific facility will be used as the Base Rate (BR) as established through bylaw adoption and item 4.8 above. The adult rate for a cross country ski day ticket will be used as the Cross Country Base Rate (XCBR). Rates may be adjusted to permit the rounding of rates for efficient administration.

MPSC Admission Rates Formula:

User	Admission Rate
Adult/Senior	Base Rate
Youth	60% of base rate
Children	50% of base rate

Family and EPT\* 2 x base rate  
All Day 1.5 x user (Adult, Youth, Child, Family) base rate

Drop-in Hockey 1.3 x user (Adult, youth) base rate = HBR

Appendix “B” – Cross Country Comparison Chart for Fees and Charges 2019  
Appendix “C” – Meadow Park Sports Centre Admission and Pass Fee Schedule (2020-2023)  
Appendix “D” – Indoor and Outdoor Facility Rental Fee Schedule (2020-2023)  
Appendix “E” – Lost Lake Nordic Trails Admission and Pass Fee Schedule (2020-2024)

### PURPOSE OF REPORT

The purpose of this Report is to provide Council with a consolidated fees and charges bylaw that includes fee schedules for Meadow Park Sports Centre (MPSC) admission and pass rates, Lost Lake Nordic Trails (LLNT) day ticket & pass rates, indoor facility rental rates, and outdoor facility rental rates over a four (4) year period. Appendix 3, 4 and 5 of Bylaw 1486, 2000 will be replaced by Appendix 3, 4 and 5 attached to this Report as Appendix “C”, “D” and “E”.

### DISCUSSION

In considering future parks and recreation fees and charges, staff has considered the following:

1. The gap between revenues and expenses at MPSC is below the cost recovery target of 60 per cent.
2. An updated market analysis was performed of other recreation facility admission and pass rates across the province and resort communities in Alberta (see appendix “A”).
3. An updated market analysis was performed of other cross country ski area day ticket and pass rates across the province (see appendix “B”).
4. Energy rates, equipment, supply and many contract services cost are increasing above the annual inflation rate.

5. Increased labour costs and added labour costs for each day the facility is open on a statutory holiday.
6. Continuing current resident affordability initiatives.
7. The interim facility rental fees for the Andree Vajda Janyk Sports Field were reviewed.

In consideration of all the above, staff is recommending increasing the base rate (i.e. adult one time admission) at the MPSC by 25 cents (from \$8.75 to \$9) for 2020 and 2021 with another 25 cent increase (\$9 to \$9.25) for 2022 and 2023. All other MPSC admission and pass products would increase according to the change in the base rate as outlined in *Council Policy I-6*. Over the 4 year period, this would amount to an average 1.4 percent per year increase in MPSC admission and pass rates.

The Municipality would continue to support affordability at MPSC by maintaining the following discount and promotional initiatives:

- Midday/Midweek product at the same price point as the Early Bird/Late Owl product valid Monday to Friday between 11 am and 1 pm (drop in rates for this product are not available during holiday periods or statutory holidays).
- Tuesday and Friday 50 per cent Off Night: Offering a discounted access program to MPSC on two evenings of the week (after 6 p.m.).
- Early Bird/Late Owl admission and pass products.
- Offering promotions that offer reduced rate access to MPSC at certain times of the year such as the annual National Fitness Day pass discount promotion and the late spring buy three months get one free pass promotion.
- Providing a variety of departmental volunteer opportunities where a MPSC pass is provided in return for volunteer hours.

Staff is also recommending increasing the base rate for the Lost Lake Nordic Trails by one dollar (from \$22 to \$23) for the 2020/2021 and 2021/2022 season and then increasing it again by one dollar (from \$23 to \$24) for the 2022/2023 and 2023/2024 season. This is an average increase of 2.2 percent increase per year.

The Municipality would continue to support affordability of the Lost Lake Nordic Trails by maintaining the following discount and promotional initiatives:

- Monday and Thursday "Community Night": 50 percent off night skiing (after 3 p.m.).
- Extra early bird passes available each spring for the following season and Whistler Experience passes: 25 percent off regular seasons pass price.
- Discounted children and youth seasons pass for children enrolled in a Whistler Nordic or Sea to Sky Nordic program based out the Lost Lake Nordic Trails: Presently a \$50 pass price verses \$154 child regular seasons pass price or \$185 youth regular seasons pass price.
- Lost Lake Nordic Trails seasons passes provided to all volunteer ski patrol and trail hosts.
- Children under the age of seven ski for free.
- Free multi-use trail from Meadow Park to Rainbow and Whistler Secondary School to ScandinaVe Spa/Riverside Campground bridge groomed four to five days per week.

Further, staff is recommending confirmation of the interim facility rental fees for the Andree Vajda Janyk Sports Field. As per the March 26, 2019 Administrative Report "Parks & Recreation Fees & Charges Regulation Amendment Bylaw No. 2223, 2019", the facility rental fees recommended for the Andree Vajda Janyk Sports Field were interim facility rental fees. The interim fees took into account market rates, facility attributes, seasonality, supply and demand. The interim fees were to be reviewed after the 2019 outdoor facility summer booking season.

The 2019 summer booking season has completed and the interim fees were reviewed. There were no negative comments received from user groups regarding interim fees for the Andree Vajda Janyk Sports Field.

Lastly, this Report seeks a nominal annual percentage increase of two percent for both outdoor and indoor facility rental fees. The increase is in the interest of offsetting annual department cost increases related to payroll, electricity, fuel, the municipality's share of school district operating costs at the community centres, and equipment and materials related to the upkeep of indoor and outdoor recreation facilities.

### **Background**

The practice of raising fees on a regular basis is a means of offsetting the need to increase the recreation departments operating subsidy each year and mitigates the need to increase property taxes accordingly.

### **WHISTLER 2020 ANALYSIS**

<b>W2020 Strategy</b>	<b>TOWARD</b> Descriptions of success that resolution moves us toward	<b>Comments</b>
Visitor Experience	A diverse range of year-round activities is developed and offered	MPSC offers a pool, large fitness centre, squash and an indoor arena. LLNT offer 25 km of ski trails and 15 km of snowshoe trails.
Resident Affordability	Diverse and affordable opportunities for recreation, leisure, arts and culture exist	Non-profit and local facility rental rates are significantly reduced from the out-of-town and commercial facility rental rates. A variety of affordable access options are provided to the community.
Recreation and Leisure	The cost of amenities is covered within the resort community's financial means and is equitably shared among stakeholders	User fees assist in recovering significant annual operating cost for park and recreation facilities and services
Recreation and Leisure	Recreation and leisure are part of the Whistler lifestyle and all community members are able and encouraged to participate	The community has access to a variety of community facilities and amenities to use or rent exclusively for a variety of recreational uses
Health and Social	Community members and visitors maintain and improve their physical, mental, spiritual and social health through prevention and treatment services	Parks and recreation facilities are used by a variety of local community user groups for their activities

<b>W2020 Strategy</b>	<b>AWAY FROM</b> Descriptions of success that resolution moves away from	<b>Mitigation Strategies and Comments</b>
Resident Affordability	Diverse and affordable opportunities for recreation, leisure, arts and culture exist	Although the annual fee increases have been proposed at between averages of 1.4% to 2.2% annually, the increase should mitigate the need to raise property taxes to support recreation services increasing annual operating costs. This is also mitigated by all the affordable product offering mentioned in this Report.

## **OTHER POLICY CONSIDERATIONS**

*Council Policy 1-6: The Fees and Charges Council Policy* outlines the formulas to be used to determine pass fees.

## **BUDGET CONSIDERATIONS**

Based on similar sales volume and mix as the last 12 months, it is estimated that the proposed increases will have an annual net effect on revenues of approximately the following amounts for each area noted below:

- 1) MPSC admissions and passes: \$37,000 for 2020 and 2021 and another \$37,000 for 2022 and 2023.
- 2) Lost Lake Nordic Trails day tickets and passes: \$11,200 for 2020/2021 and 2021/2022 seasons and another \$11,200 for 2022/2023 and 2023/2024 seasons
- 3) Indoor Facility Rental rates: \$7,500 per year
- 4) Outdoor facility Rental rates: \$1,500 per year

## **COMMUNITY ENGAGEMENT AND CONSULTATION**

The Andree Vajda Janyk Sports Field interim fees were reviewed upon completion of the outdoor facility summer booking season. There were no negative comments received from user groups regarding interim fees for the Andree Vajda Janyk Sports Field.

The proposed fee schedule will be presented and discussed at the November 14, 2019, Recreation Leisure Advisory Committee Meeting. Staff will report feedback received from this committee during their presentation on this topic at the November 19, 2019 Council Meeting.

## **SUMMARY**

Staff is seeking first three readings of "Parks and Recreation Fees and Charges Amendment Bylaw No. 2243, 2019 on November 19, 2019" and adoption on December 3, 2019 in order to be able to raise fees for January 1, 2020 for both MPSC and for all facility rental fees accordingly and for the next four years as outlined by the attached fee schedules.

Respectfully submitted,

Roger Weetman  
MANAGER OF RECREATION

and  
Bob Andrea  
MAMANGER OF VILLAGE ANIMATION AND EVENTS

for  
Ted Battiston  
GENERAL MANAGER OF CORPORATE AND COMMUNITY SERVICES

and  
Jan Jansen  
GENERAL MANAGER OF RESORT EXPERIENCE

## REPORT | ADMINISTRATIVE REPORT TO COUNCIL

**PRESENTED:** November 19, 2019  
**FROM:** Corporate and Community Services  
**SUBJECT:** BC HYDRO BEAUTIFICATION GRANT – WHITE GOLD NEIGHBOURHOOD  
SERVICE UNDERGROUNDING PETITION

**REPORT:** 19-151  
**FILE:** 132

### COMMENT/RECOMMENDATION FROM THE CHIEF ADMINISTRATIVE OFFICER

**That** the resolution of the General Manager of Corporate and Community Services be endorsed.

### RECOMMENDATION

**That** pending a successful outcome of the 2019/20 petition for the undergrounding of utility services in the White Gold neighbourhood (Fitzsimmons Area), the RMOW agrees to fund the portion of the total project costs not covered by the BC Hydro Beautification Grant through a Local Area Service tax payable over time, by all parcels located within the identified Service Area.

### REFERENCES

Appendix “A” – Beautification Funding Application response letter from BC Hydro.

Appendix “B” – September 5, 2019 Letter to Mayor and Council from Toni Metcalf on behalf of interested White Gold residents.

### PURPOSE OF REPORT

The purpose of this Report is to secure Council endorsement for advancing the submission requirements of the BC Hydro Beautification Grant funding application.

### DISCUSSION

#### Background

On September 5, 2019 Council received and referred to staff a letter from Toni Metcalf expressing the interest of White Gold residents to initiate a formal petition process consistent with s.212 of the *Community Charter* for the undergrounding of overhead utility services (refer to Appendix “B”). This correspondence requested that municipal staff make application to the BC Hydro Beautification Grant program to support the funding of the potential undergrounding project. Pre-approval of the grant application has been received (refer to Appendix “A”) subject to further submission requirements being received by November 30, 2019.

## Undergrounding of Overhead Services

A typical overhead electrical service can be moved underground. The example below includes relocation of a transformer, streetlight, and telecommunication lines and removal of poles.

The recent completion of the White Gold water system upgrades provides a unique opportunity to consider the undergrounding of the overhead services prior to the final repaving of the road network in the White Gold neighbourhood.

## The Petition Process and a Local Area Service Tax structure

Ultimately provided by bylaw, a Local Area Service designation provides a 'service' to portions of the broader community funded by a tax applied only to parcels located within the service area. In this manner, a local service tax is a property value tax or parcel tax levied over a 'sub-area' of a municipality (e.g. a neighbourhood within a municipality). A municipal council may establish a local area service to provide any type of service that will benefit a portion of the municipality (e.g. sewer service, water service, sidewalks for a neighbourhood, etc.).

Section 212 of the *Community Charter* provides the right for owners located within a 'sub-area' to petition for a local area service. Guided by the requirements of s.212 of the *Community Charter*, to become a 'sufficient and valid' petition a minimum of 50 per cent of the parcels, representing a minimum of 50 per cent of the land and improvement value, that would be subject to the tax, must express informed support for the local area service tax.

The residents of the White Gold neighbourhood have expressed a collective interest in pursuing a petition process to create a Local Area Service to fund the undergrounding of the overhead utility services (BC Hydro, TELUS, Rogers, etc.). If the petition process is successful, the RMOW would provide project oversight, liaise with utility providers, and cover the up-front costs of the undergrounding process. All project costs, including project management costs and the opportunity cost of invested capital would be recovered over time from all parcels located within the designated service area.

### **BC Hydro Beautification Fund**

BC Hydro's Beautification Fund provides financial assistance to municipal governments for conversion of overhead service to underground facilities to enhance and improve the use of public spaces. If successful, the Beautification Fund contributes one-third of BC Hydro's estimated project cost with the remaining two-thirds to be arranged by the municipality. Cost sharing is based on the original project scope, and does not include any costs for work on private property or work to relocate other utility attachments such as telecom cables.

In support of the petition process initiated by White Gold residents, the RMOW applied for funding under the BC Hydro Beautification Fund for the proposed project. The RMOW application has received preliminary pre-approval for one third of the estimated BC Hydro project costs of \$2.7M to \$3.7M (or between \$927K and \$1.24M).

In order to confirm the Beautification Grant funding as outlined in Appendix "A", a formal expression of Council's support to cover the remaining two thirds of estimated BC Hydro costs is required.

### **POLICY CONSIDERATIONS**

The proposed resolution is consistent with s.212 of the *Community Charter*, and the potential undergrounding of the overhead utilities in the White Gold neighbourhood is consistent with the Corporate Plan Goal that, "Corporate policies and operation ensure continuous excellence in infrastructure, facility and program management".

### **BUDGET CONSIDERATIONS**

The current resolution does not have budget implications at this time, but the RMOW will incur some costs to prepare the petition information which would not be recoverable if the petition process is ultimately unsuccessful.

However, in the case of a successful petition process, 100 per cent of associated project costs would be ultimately restored to the municipality through the Local Area Service taxes assessed on municipal taxation notices over the life of the amortization period. Further details with respect to the gross project funding, the project timing, amortization period and associated interest rates will be considered by Council in subsequent steps in the petitioning process.

A successful petition process for the proposed undergrounding project would have associated cash flow implications for the organization in the near to medium term, but these implications appear to be manageable.

### **COMMUNITY ENGAGEMENT AND CONSULTATION**

No additional community engagement is required or anticipated at this point. Once the grant is confirmed, residents located within the proposed Local Area Service will commence an internal petition development process for submission to Council.

## **SUMMARY**

This Report seeks to secure Council endorsement for advancing the submission requirements of the BC Hydro Beautification Grant funding application associated with a petition-driven Local Area Service Tax request for the undergrounding of the overhead utility services in the White Gold neighbourhood.

Respectfully submitted,

Ted Battiston

E-MAIL: [mpeatfield@whistler.ca](mailto:mpeatfield@whistler.ca)

Dear Ms. Peatfield:

**Your Beautification Funding Application**  
**for the Fitzsimmons Area - Whistler**

Thank you for your application for funding assistance under the Municipal Beautification Fund. The preliminary estimate to move our overhead infrastructure underground is in the range of \$2,782,970 to \$3,709,699, which will be confirmed when the detailed design is finalized.

This estimate includes public property civil work, electrical work, removal of overhead lines and restoration of roads and lawns, **but does not include** any right-of-way costs, costs for converting existing customer services from overhead to underground or charges from any other utility (telephone, gas, cable, etc.) that requires relocation. They must be contacted separately to arrange for their services to be relocated.

Our funding towards the project would be one-third of the estimated design costs based on the original scope.

To prepare for funding approval to begin April 1, 2020 please submit confirmation of the following by November 30, 2019, if not already included with your application:

- Council approval for remaining two-thirds of project funding
- Copy of the site plan and photos/drawing of the poles to be removed

Our funding approval is expected by the end of January 2020.

If you have any questions concerning this project, please contact me.

Sincerely,

BC Hydro | Design Specialist

Mayor & Council  
Resort Municipality of Whistler  
4325 Blackcomb Way  
Whistler BC V0N 1B4  
By email: [council@whistler.ca](mailto:council@whistler.ca)

Dear Mayor & Council

## **UNDERGROUNDING OF UTILITY SERVICES IN WHITE GOLD**

**This letter lays out the majority support of homeowners in the White Gold neighbourhood, for the removal of poles and overhead utility cables, and for those services to be buried underground.**

*We are requesting the municipality provide relevant information for a formal petition process that homeowners may consider, so the total cost of this work is recovered from all homeowners in the defined area (see Appendix A) with an annual amount added to property taxes over a twenty to thirty year time period.*

### Background

As the Municipality is performing the water mains upgrade project in White Gold, this is a prime opportunity for homeowners to have all utility poles and overhead wires removed from the neighbourhood, and to have those services buried underground.

***There are currently over 80 White Gold homeowners who are involved in an initial design and planning exercise with BC Hydro, which includes having provided their property plans and contributed to a non-refundable deposit to BC Hydro.***

There are many advantages to undergrounding the utilities, including reduced wildfire risk given our proximity to Lost Lake Park and surrounding forests, reduced downtime of power service during storms and strong winds, as well as the benefits of enhanced aesthetics of modernizing our streets in line with neighbouring subdivisions.

Under section 212 of the Community Charter, homeowners within a defined area may 'petition' the municipality for a local area service, for which the cost may be recovered as an add-on to annual property taxes over a number of years. For a petition to succeed for the whole of that area, the petition must be signed by owners of at least 50% of the number of property parcels in the area, and those must represent at least 50% of the assessed value of the properties. Should the petition succeed, the services will be performed for all properties in the defined area and total cost shared amongst all homeowners in that area.

### Request

**We, the undersigned homeowners, respectfully request the municipality to:**

- **provide information as required under the Community Charter, including the annual amount and any other terms that may be applicable should the project proceed, such that homeowners may formally petition to have these services completed, and**
- **submit an application to the BCHydro Beautification Grant Fund which if successful may provide up to one-third of the total cost of the hydro undergrounding. A short initial application is due September 30 2019, with more specifics to be submitted by 30 November 2019.**

Thank you in advance for your support in making this project a reality.

**RESORT MUNICIPALITY OF WHISTLER  
ZONING AMENDMENT BYLAW (GLACIER 8 – RM13 ZONE) NO. 2250, 2019**

**A BYLAW TO AMEND THE WHISTLER ZONING AND PARKING BYLAW NO. 303, 2015**

---

**WHEREAS** Council may, in a zoning bylaw pursuant to Section 479 of the *Local Government Act*, divide all or part of the area of the Municipality into zones, name each zone and establish the boundaries of the zones, regulate the use of land, buildings and structures within the zones, and require the provision of parking spaces for uses, buildings and structures;

**NOW THEREFORE** the Council of the Resort Municipality of Whistler, in open meeting assembled, ENACTS AS FOLLOWS:

1. This Bylaw may be cited for all purposes as “Zoning Amendment Bylaw (Glacier 8 – RM13 Zone) No. 2250, 2019”.
2. In Part 13, Multiple Residential Zones, of Zoning and Parking Bylaw No. 303, 2015, is hereby amended by replacing, in section 13, the regulations for the RM13 (Residential Multiple Thirteen) zone with the regulations attached to and forming part of this Bylaw as Schedule “A”.

GIVEN FIRST and SECOND READINGS this \_\_\_ day of \_\_\_\_\_, 2019.

Public Hearing as held this \_\_\_ day of \_\_\_\_\_, 2019.

GIVEN THIRD READING this \_\_\_ day of \_\_\_\_\_, 2019.

ADOPTED by the Council this \_\_\_ day of \_\_\_\_\_, 2019.

Alba Banman, Municipal Clerk

## **Zoning Amendment Bylaw No. 2250, 2019 - SCHEDULE "A"**

### **1. RM13 Zone (Residential Multiple Thirteen) (Bylaw No. 649) (Bylaw No. 1264)**

#### **Intent**

- (1) The intent of this zone is to provide for medium density employee residential use and associated employee services and auxiliary uses.

#### **Permitted Uses**

- (2) The following uses are permitted and all other uses are prohibited: (Bylaw No. 1264)
- (a) apartment provided no dwelling unit in the apartment is occupied except as employee housing;
  - (b) park and playground;
  - (c) employee services; and
  - (d) auxiliary buildings and auxiliary uses.

#### **Density**

- (3) The maximum permitted floor space ratio is .90 per parcel. (Bylaw No. 1264)
- (4) In the buildings labelled "BLDG 1" through "BLDG 7" on the plan shown in subsection (12) in this RM13 zone, or in any replacement buildings that may be constructed generally in the locations of those buildings, the combined total floor area for employee services use shall not exceed 300 square metres. (Bylaw No. 1264)

#### **Height**

- (5) The maximum permitted height of a building is 13.7 metres, except that the maximum permitted height of the building labelled "BLDG 8" on the plan shown in subsection (12) in this RM13 zone is 14.6 metres.

#### **Site Area**

- (6) The minimum permitted parcel area is 2.5 hectares. (Bylaw No. 775) (Bylaw No. 1264)

#### **Site Coverage**

- (7) The maximum permitted site coverage is 21 percent. (Bylaw No. 1264)

#### **Setbacks**

- (8) The minimum permitted setback from all parcel boundaries is 7.6 metres. (Bylaw No. 1264)

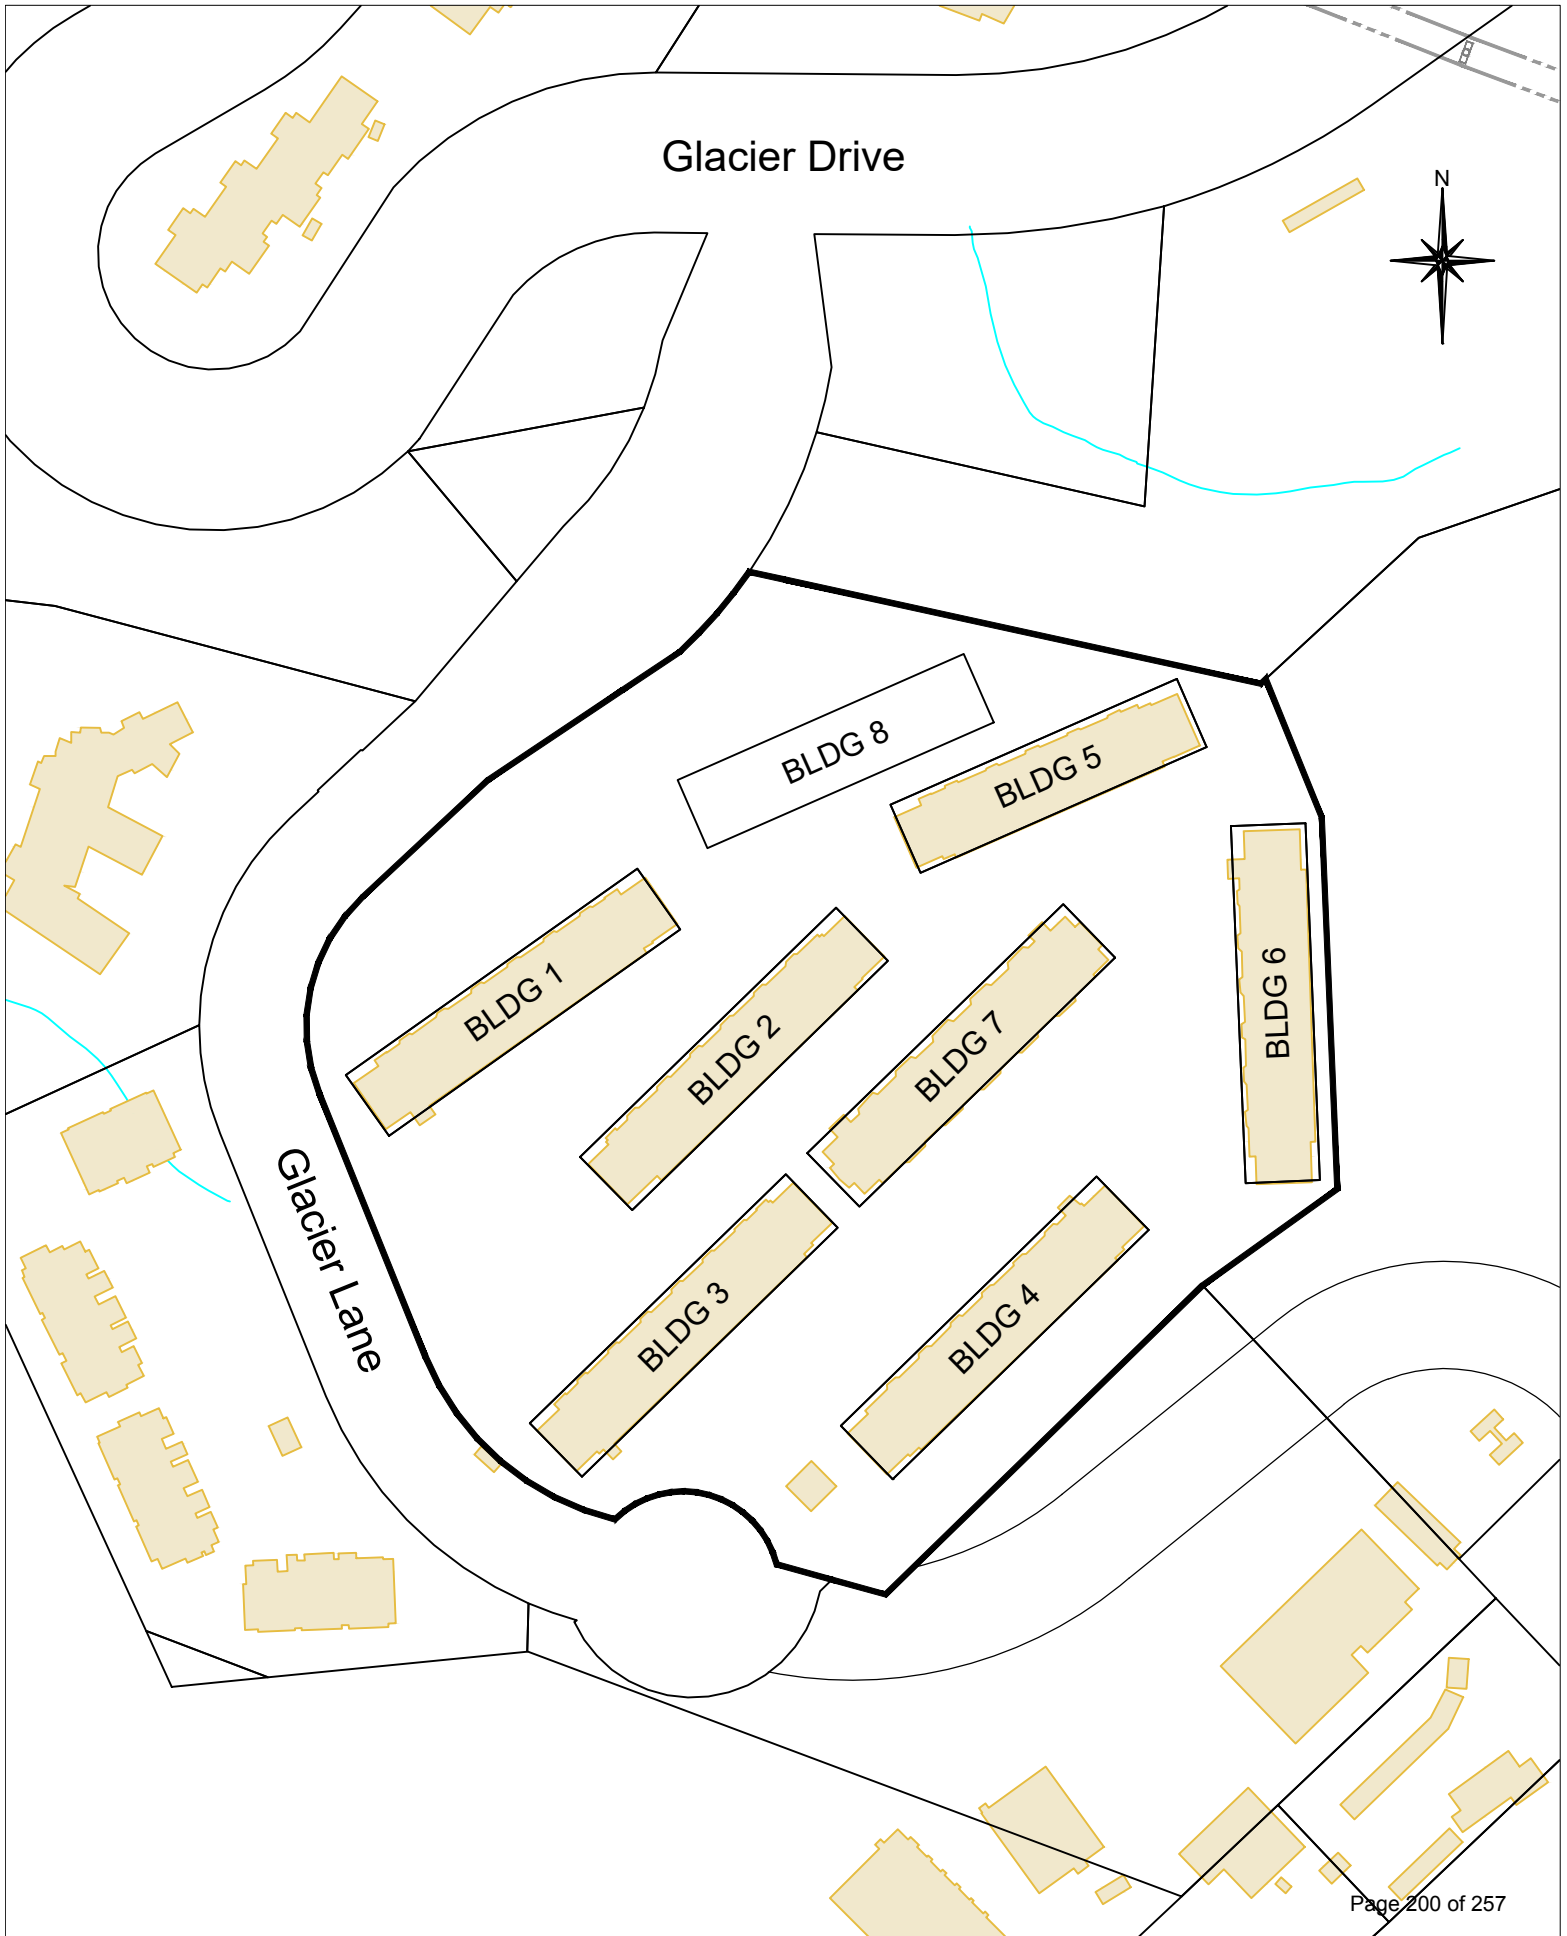

### **Off-Street Parking and Loading**

- (9) Off-street parking and loading shall be provided and maintained in accordance with the regulations contained in Part 6 of this Bylaw. (Bylaw No. 1264)

### **Other Regulations**

- (10) A minimum of 100 square meters of the ground floor area in the building labelled “BLDG 8” on the plan shown as subsection (12) of this RM13 zone must be used or available for: employee services, and uses auxiliary to employee services uses, such as food services and social and recreational activities,
- (11) The following uses and no others are also permitted on or in the ground floor of the building labelled “BLDG 8” on the plan shown as subsection (12) of this RM13 zone:
- (a) up to two dwelling units, used only as temporary accommodation of employees for respite purposes and not as employee housing, having a combined total floor area of no more than 70 square metres; and,
  - (b) up to four employee housing units, having a combined total floor area of no more than 160 square metres.
- (12) Key plan for RM13 zone is as follows:

# KEY PLAN - RM13 ZONE

## RESORT MUNICIPALITY OF WHISTLER

### PARKS & RECREATION FEES & CHARGES REGULATION AMENDMENT BYLAW NO. 2243, 2019

#### A BYLAW TO AMEND

#### **“PARKS & RECREATION FEES & CHARGES REGULATION BYLAW NO. 1486, 2000”**

---

**WHEREAS** the Council of the Resort Municipality of Whistler has acquired, constructed and operates a variety of Inside and Outside Facilities including municipal parks, fields and ball courts and Inside Facilities;

**WHEREAS** the Council of the Resort Municipality of Whistler constructed and operates, through separate Joint School Use Agreements, the Community Centre portions of Myrtle Philip Community School, Spring Creek Community School and Whistler Secondary School;

**WHEREAS** the Council may, by bylaw pursuant to Section 194 of the *Community Charter*, charge fees for admission to and use of the municipal property;

**AND WHEREAS** the Council deems it necessary and appropriate to amend the “Parks & Recreation Fees & Charges Regulation Bylaw No. 1486, 2000”;

**NOW THEREFORE** the Council of the Resort Municipality of Whistler, in open meeting assembled, **ENACTS AS FOLLOWS:**

1. This Bylaw may be cited as “Parks & Recreation Fees & Charges Regulation Amendment Bylaw No. 2243, 2019”.
2. Parks & Recreation Fees and Charges Regulation Bylaw No. 1486, 2000 is amended by:
  - a) Replacing Appendix 3 (Meadow Park Sports Centre Admission and Pass Rates 2016 and 2017 and Meadow Park Sports Centre Admission and Pass Rates 2018 and 2019) with Appendix 3 (Meadow Park Sports Centre Admission and Pass Fee Schedule 2020-2023) hereby attached to this Bylaw.
  - b) Replacing Appendix 4 (Tables 1-2: Facility Rental Charges 2018-2019) and Appendix “A” (Andree Vajda Janyk Sports Field Facility Rental Fees 2019) with Appendix 4 (Indoor and Outdoor Facility Rental Fee Schedule 2020-2023) hereby attached to this Bylaw.
  - c) Replacing Appendix A (Cross Country Fee Schedule 2016/2017, 2017/2018, 2018/2019, 2019/2020) and Appendix B (Snowshoe Fee Schedule 2016/2017, 2017/2018, 2018/2019, 2019/2020) with Appendix 5 (Lost Lake Nordic Trails Admission and Pass Fee Schedule 2020-2024) hereby attached to this Bylaw.

GIVEN FIRST, SECOND, and THIRD READINGS this \_\_\_\_ day of \_\_\_\_\_, 2019.

ADOPTED by Council this \_\_\_\_ day of \_\_\_\_\_, 2019.

**RESORT MUNICIPALITY OF WHISTLER  
ZONING AMENDMENT BYLAW (DELETE TEMPORARY USE PERMITS FOR HOME-BASED  
ARTIST STUDIOS) NO. 2242, 2019**

**A BYLAW TO AMEND ZONING AND PARKING BYLAW NO. 303, 2015**

---

**WHEREAS** Council may, by bylaw, divide all or part of the area of the Municipality into zones, name each zone and establish the boundaries of the zone, regulate the use of land, buildings and structures within the zones, and prohibit any use in any zone;

**NOW THEREFORE** the Municipal Council of the Resort Municipality of Whistler, in open meeting assembled, **ENACTS AS FOLLOWS:**

1. This Bylaw may be cited for all purposes as “Zoning Amendment Bylaw (Delete Temporary Use Permits for Home-Based Artist Studios) Bylaw No. 2242, 2019”.
2. Zoning and Parking Bylaw No. 303, 2015 is amended as follows:
  - (a) The definition of “Home-based Artist Studio” set out in section 31 of Part 5 “General Regulations” is removed from that section and inserted, in alphabetical order, to the definitions listed in subsection (1) of Part 2 “Interpretation”.
  - (b) All of the remaining provisions of Part 5, Section 31 are deleted.
  - (c) In Part 5, Section 12 “Home Occupation Use”:
    - i. subsection (d) is replaced with: “no products or materials are sold from a home occupation use located in a Residential zone, other than a Home-based Artist Studio which is permitted to sell artwork and crafts produced on the same premises”; and
    - ii. subsection (e) is deleted.

GIVEN FIRST AND SECOND READINGS this 8th day of October, 2019.

Pursuant to Section 464 of the *Local Government Act*, a Public Hearing was held this 22nd day of October, 2019.

GIVEN THIRD READING this 22nd day of October, 2019.

Approved by the Minister of Transportation and Infrastructure this 1st day of November, 2019.

ADOPTED by the Council this \_\_\_\_ day of \_\_\_\_\_, 2019.

SIGN BYLAW AMENDMENT BYLAW (HOME-BASED ARTIST STUDIOS) NO. 2247, 2019**

**A BYLAW TO AMEND SIGN BYLAW NO. 558, 1987**

---

**WHEREAS** Council has enacted a sign bylaw and wishes to amend it;

**NOW THEREFORE** the Municipal Council of the Resort Municipality of Whistler, in open meeting assembled, **ENACTS AS FOLLOWS:**

1. This Bylaw may be cited for all purposes as "Sign Bylaw Amendment Bylaw (Home-Based Artist Studios) No. 2247, 2019".
2. Sign Bylaw No. 558, 1987 is amended by changing the definition of "Home-Based Artist Studio" under Section 2 Definitions to: "means a Home-Based Artist Studio as defined under Zoning and Parking Bylaw No. 303, 2015 for which a valid Resort Municipality of Whistler business licence has been issued."

GIVEN FIRST AND SECOND READINGS this 8th day of October, 2019.

GIVEN THIRD READING this 22nd day of October, 2019.

ADOPTED by the Council this \_\_\_\_ day of \_\_\_\_\_, 2019.

Mayor and Council  
Resort Municipality of Whistler  
By email  
**RE: Rezoning application RZ1157**

Mayor and Council:

I am writing to offer my qualified support for the referenced rezoning, located at 5298 Alta Lake Road. The specific qualifications under which I support the project and the reasons for my support are outlined below.

**Qualifications:**

- The project's proponent has indicated a need for eight of the fifteen employee housing units for the use of on-site staff. I find this unacceptable since the remaining seven units would do little, relative to the size of the request, to make a significant difference to those on Whistler Housing Authority's (WHA) waitlists. I would support a final agreement limiting number of units held back for the proponent's on-site staff to one or two. These were numbers the Mr. Michael Hutchison, one of the proponents, suggested at the open house held on 28-October.
- A ratio of sale to rental units "has yet to be confirmed" according to the application. WHA is actively building rental units and has plans to do so for the foreseeable future. There are no plans in the same timeframe to build purchase housing. I fully support moving forward with this application on the condition the total units net of those retained by the proponent for on-site staff be strictly available as purchase units to those on the WHA purchase waitlist.
- The proponent has quoted a purchase price of \$400/square foot. I fully support moving forward with the proponent's guarantee the sales price would be such.

Since the proponent has said publicly the qualifications outlined above would be acceptable, it is up to council to negotiate them and make approval of the application incumbent upon that agreement.

**Reasons for Support:**

Since I am on record as opposing this project I feel it is important to explain why I am now supporting it.

- **Zoning:** The proponent already has TA17 zoning for a seven-room hotel and 25 market cabins, totalling 3,500 square metres. The zoning is therefore in place to support the ask for 22 market townhomes with tourist accommodation.
- **Bed Units:** A careful reading of September 17, 2019 Administrative Report on this application shows the maximum bed unit allocation under TA17 zoning for this site could be calculated as 96 bed units; the application represents 88 market bed units. Bed units for employee housing — not previously counted — would number 60 owing to the increase in employee housing from seven cabins to 15 townhomes, and thus clearly represents an extraordinary community amenity as outlined by the OCP.
- **Density:** There have been several submissions against this proposal citing density as, among, reasons for Council to withhold approval. The configuration requested — five market buildings and three restricted buildings — should be considered one of the *best* features of this proposal. Rather than build the boutique hotel

located near the shore of Nita Lake and the remaining market and restricted cabins spread throughout the 3.96 hectare site, the proposal would create a 1.5 hectare park and buffer along the shore of the lake and mass the housing well behind a tree buffer consisting of mature trees of sufficient height to virtually hide the buildings from view points on the other side of Nita Lake. This configuration would also support a 0.49 hectare dedication adjacent to existing WHA housing for future WHA development. Rather than inefficiently chewing up the entire footprint of the site, this density represents an efficient use of the land. The days of sprawling, single-family homes in Whistler is drawing to a close. The future looks much like the stewardship offered by this project.

- Increased Market Density: The proponents have requested 900 square metres of increased GFA for the market component of this project. In return, they are offering to build an additional 800 square metres of resident-restricted housing at what in this town is an affordable rate. The increase in market density will help offset many of the costs of building the resident-restricted housing and allow the proponents to keep the costs passed on to purchasers down to their actual cost to build, effectively excluding site servicing and myriad soft costs. Given the overall positives associated with the redesign of this proposal, I support this ask.
- Opposition: This application has generated over a dozen-and-a-half letters of opposition, many from owners of large, expensive, scattered homes in the area, homes in many cases owned by people who occupy them infrequently. While most express "support" for resident-restricted housing, all manage to find a multitude of reasons to oppose this development. Many cite its configuration, i.e., density of several townhouse buildings as opposed to scattered houses, as out of character with the neighbourhood. Yet, this is strikingly similar to the configuration of the immediate neighbours, the WHA Nita Lake development. Whistler has a long history of immediate neighbours finding many reasons to resist employee housing and in *every* case, the developments have proven to add character and vitality to the, often, half-empty neighbourhoods near which they were built. It is important for this town to not only resist being the exclusive enclave of wealthy second homeowners but to integrate resident-restricted housing into existing neighbourhoods.

While I continue to be sceptical of private developers building employee housing, this project stands as an exception. No substantive change in zoning is required, outstanding community amenities are offered, e.g., parkland, buffer, employee purchase housing, relatively little increased density is involved and far superior site utilization is embraced. As stated above, assuming council can strike an agreement embracing the three qualifications listed, I fully support moving forward with this project.

Respectfully,

G.D. Maxwell

Re: 5298 Alta Lake Road, Whistler, BC

November 4, 2019

Dear Mayor and Council:

I am writing to express my concerns about the project that is in progress: 5298 Alta Lake Road. My wife and I have a house in Strata VR244 located on Nita Lake, address 2232 Whistler Ridge Road. We have owned this property since 1991, although it was owned by my parents since 1973 when the properties first came on the market.

I want to express my concerns about the above project. I am not opposed to development and if this development turns out like the Nita Lake Estates, I would be happy, as it seems to nestle into the hillside rather well. Although it may appeal to some people, I am not particularly excited about the historical significance of the "Hillman House" adding value to the site. I do value, however, that almost half of the property will be designated as "park".

I was one of the 36 people who attended the Open House on Oct 24<sup>th</sup> in the Olympic Village at the Athletes' Center in Function Junction. In my opinion the venue was poorly chosen – the acoustics were terrible due to the loud air circulation fan that made it very difficult to hear the speakers. While Michael Hutchison was audible, the RMOW representative was not. Public speaking was not his strength (he mumbled and was urged to speak more loudly several times.) In fact, why there was no sound system in the room is a mystery to me. The cynical part of me thinks that the whole process is a sham to satisfy the due process aspect to the development.

I spoke to Michael Hutchison and would say that he did answer some of my concerns about the density, pointing out that Rainbow (a development off the highway by Green Lake that scarred and denuded the landscape, had a density of 50% while the 5298 Alta Lake Road project will only be 10%, which, of course, is positive.) He also indicated that RMOW will take responsibility for the riparian/tree preservation area along the lakeshore and the rail line. To me that is a critical factor. We have been enjoying the lake since 1973 and the tranquil nature of this beautiful lake is striking. It is very important to have the riparian/tree preservation area as a screen.

I do not know Michael Hutchison, which means I do not know if he can be trusted to deliver on what he has promised. Furthermore, RMOW seems to be in desperate need of employee housing. Will they turn a blind eye if this developer tries to cut corners or do things that are not in line with the permit?

Finally, the fact that the developer is proposing to take 8 of the 15 units for the company's staff does not sit well with me. Their staff should be at the same risk as other employees who need housing in the Valley. Furthermore, this arrangement opens the possibility that the Empire Club could benefit itself in some fashion, depending on how "Staff" are defined. With 664 people on the waitlist for this type of housing, why should Empire Club staff be able to "jump the queue"?

I am reminded of the quote that I believe I put in my earlier hand-written letter delivered to you prior to the Council meeting of September 17<sup>th</sup>: "You don't know what you've got 'til it's gone"!

Thanks for your attention to this important matter.

Hugh Russel Quinn

Re: Proposed Rezoning - RZ 1157 - 5298 Alta Lake Road

I have listed below a number of observations regarding this proposal that I hope will assist you in considering whether or not it should proceed any further.

Observations:

1. The OCP provides at Section 4.1.6.3 that:  
Proposed..... rezonings that increase the accommodation bed unit capacity should only be supported if the proposal:
  - (a) provides clear and substantial benefits to the Community and the resort
  - (b) is supported by the community, in the opinion of Council
  - (c) will not cause unacceptable impacts on the community, resort or environment
  - (d) meets all applicable policies set out in the OCP

Section 4.1.6.4 (d) requires that all proposed development and changes in land use must be evaluated to the satisfaction of the Municipality to assess the impact on: (inter alia)

- (xi) traffic congestion and safety, including traffic volumes and patterns on Highway 99 and the local road system
- (xv) employee housing

Chapter 5 of the OCP - Whistler policies to meet housing needs for at least the next five years must focus primarily on employee housing

Section 5.1.2.2 (Whistler must) strive to add 1000 employee beds within the next five years

All of the above requirements need to be addressed and, in particular, the extent to which the proposal provides, or fails to provide, “ clear and substantial benefits to the community”, as well as the extent to which adding 7 employee housing units (compared to the impact of 22 tourist accommodation units and the commitment of 88 precious bed units) assists in achieving 1000 bed units in the next five years when the 15 employee bed units proposed equals a mere 1.5 % ).

The traffic issues have been well addressed by the neighbouring property owners .

2. The most accurate measure of the proposal’s increase in the density above the existing zoning is to compare the massing in the proposal of the unlimited market housing to that in the existing zoning ;

Proposed - 22 units gross floor area (GFA) @ 200 sq. m =4,400 sq. m.

Existing - 11 units GFA @ 120 square metres = 1,920 sq. m.

Increase = 3,080 sq. m.

The proponents would have you believe that the increase is only 900 sq. m. by including in their calculations 2,100 sq. m. for an originally proposed hotel (with rooms totalling only 500 sq. m.) which bears no logical relationship to the tourist cabins proposed in 2002 (but no longer marketable), and NOT included in the current proposal.

With respect to the employee housing density, the proponents represent that there is an increase of 800 sq. m., but they seek to retain 8 of the proposed 15 units leaving only 7 units for the community each having a GFA of 106 sq. m. for a total of 742 sq. m.

The existing zoning permitted 7 employee units @ 120 sq. m. for a total of 840 sq. m., meaning there is actually a loss of 98 sq. m. and not a gain of 800 sq. m. as shown in the applicant's "mathematical gymnastics".

3. The primary objective of the Municipality's call for proposals for private sector employee housing development was a reflection of the need to strive to add 1000 employee bed units within the next five years as recommended by the Mayor's Task Force on Resident Housing that was carried into the OCP along with the policy to focus primarily on employee housing for the next five years.

The first set of Guidelines released on December 7, 2017 included an unrealistic but ambitious requirement that projects must be for "100 percent" employee housing and a provision that "unrestricted market accommodation as part of the project are not supported". The response from private property owners was predictable and on 26 March, 2019 a revised set of guidelines appeared and permitted a "limited amount of market accommodation" to support "the project's viability" and also stated that projects "shall optimize employee housing".

No qualification or definition was given to the words "limited amount" or "project viability" but given that the primary focus was to be on employee housing, it is only fair and reasonable that the limited amount of market housing should be within a limited ratio to the amount of the employee housing proposed in the project and that ratio should be no more than 1 to 1 or even less.

In this case we have 4400 sq. m. of market housing and only 742 sq. m. of employee housing for a lopsided ratio of 5.9 to 1.

4. The question here is what is driving the need for such a high ratio of market housing and the obvious answer is the need by the applicants to recover their high land cost, reported to be \$10 million, plus the cost of roads and infrastructure, in order to make their project viable.

The next question is why it should be up to the Municipality to support a high cost project by simply committing to provide a level of zoning for market housing at a high ratio compared to proposed employee housing?

5. The present zoning and the Comprehensive Development Agreement filed against the land title provide, that no more than 64 bed units are permitted, whereas the proposal requires 88 bed units for market housing plus 30 bed units for employee housing. In addition, the Agreement calls for Phase 2 Rental Pool Covenants which are problematic to marketing. Presumably at least these two items will be subject to renegotiation if the project is to proceed.
6. As I have previously submitted to Council in my letter of 11 September, 2019, I strongly believe that the practice of the Municipality approving zoning for private development, in exchange for a significant portion of the subject lands for the development of employee housing, originally adopted in 1990, when the Municipality did not have any access to free land, is no longer appropriate now that the Municipality has land available to it in Cheakamus Crossing and we are rapidly approaching the Limit to Growth.

All of which is respectfully submitted

Sincerely

Garry Watson

Resort Municipality of Whistler, BC

Re: 5298 Alta Lake Road-RZ1157 – Development Proposal by Empire Club Development Corp.

The Empire Club Development Corp. is wiggling carrots on sticks, so that this project might get the go-ahead. One carrot offered is the restoration of the Hillman cabin (AKA Toad Hall) to which I say, like Woodstock, some things are best left to what's left of our memories. Another carrot (Questions Abound, Braden Dupuis, Pique, Oct.31) is "the dedication of a riparian and tree preservation area along the foreshore and rail line." There are already strict riparian rules on the other side of the lake, so this is not an unusual offering. The biggest carrot being dangled is the proposal of a "future WHA employee-housing parcel adjacent to the existing Nita lake Resident Housing" (Dupuis, Oct. 31). Sounds great, but will it come to pass, once the Empire Club has had its way with development at 5298 Alta Lake Road? To sweeten the deal is the proposal for 15 employee-housing units, which sounds pretty good, until you read further that 8 of those are for the benefit of Empire staff. Let's do the math...With 7 units of actual "employee housing " being added to the Whistler Housing Authority (WHA) it's going to take a long time to reach Mayor Crompton's target of 1,000 employee beds. One wonders how the 8 units built for the benefit of the developers' staff can be allowed to jump the queue ahead of those applicants waiting patiently for years at WHA.

Garry Watson and GD Maxwell are major proponents of Cheakamus Crossing. The land owned by the RMOW is readily available. The issue for both Cheakamus Crossing and 5298 Alta Lake Road is that of increased traffic. Let's face it. If you travel the south end of the valley, how much time have you spent in gridlock traffic at the end of the day? (And WHY did you move from the city to the country...to escape the hustle bustle of city traffic?)

When we look at the potential developments for Resident Restricted units in both Cheakamus Crossing and Rainbow (both of which have much better public transit options than a development at 5298 Alta Lake Road, and a better ratio for WHA units), and Rainbow which has built-in infrastructure of IGA, liquor store and coffee outlet, it makes the Nita Lake proposal seem a less beneficial location.

The Whistler Official Community Plan (OCP) is straightforward.

4.13.2 Proposed OCP amendments or rezonings that increase the bed-unit capacity of the Municipality will only be considered if the development:

- a) provides clear and substantial benefits to the community and the resort;
- b) is supported by the community, in the opinion of the Council;
- c) will not cause unacceptable impacts on the community, resort, or environment, and

4.13.3 (The following are some items that must be assessed for impact)

- d) traffic volumes and patterns on Highway 99;  
traffic volumes and patterns on the local road system;

view and scenery; and  
employee housing, as well as:

e) The project must exhibit high standards of design, landscaping, and environmental sensitivity.

Ross Depner's original rezoning (2002) for the property at 5298 Alta Lake Road was for a much more intimate London Lodge (7 suites total), complete with 25 rustic cabins discretely arranged amongst the existing trees, and an artist-in-residence arrangement at the Hillman cabin. The current proposal is for 4 buildings, containing 22 market units, plus 15 "employee" units (only 7 of which are actually WHA-bound). While those numbers sound somewhat close, the new proposal represents an increase of 1690 sq. m. The magic of square metres is that it doesn't sound like much, but it is, in fact, an extra 18,000 sq. ft., a huge increase to the existing allowable footprint.

Cheryl Green (Letter to Editor, Pique, Oct. 24) stated clearly, that this project "is inconsistent in terms of density and visual impact with the neighbourhoods currently on the shores of Nita Lake." Her concern to preserve the trees of "this very sensitive lakeside area" is well taken. It would be a sad day for all concerned if, inadvertently, the trees were taken down, with apologies all around. Apologies can't grow old trees. (OCP 6.4.2: Mature stands of timber and riparian habitats must be protected.)

While private developer projects might seem a welcome idea to the hardworking RMOW council as a means-to-an-end of how to accomplish housing, I think Mayor Crompton's intuition (Council tackles housing projects, Pique, Sept. 17) is on track two-fold, that RZ1157, 5298 Alta Lake Road is not a "great location for tourist accommodation" and that there should be "more employee housing and less market housing." I also agree with GD Maxwell's notion (Misguided proposal, Pique, Oct. 22) that one of the developers, however hard-working, may "seek to profit from opportunities they were involved in creating," as former Chair of the WHA, and part of the Mayor's Task Force on Resident Housing.

I have been extremely lucky to share a family home next to Nita Lake since 1965, first in Alpine Village, then at Nita Ridge and for the past 30 years at Boulder Ridge. While change is part of life, I encourage the Mayor and Council to have the courage to represent the residents of Whistler by listening to the respected voices I've mentioned in this letter, who are speaking on behalf of valley residents who are desperate for suitable housing, and appropriate land use. Here is a chance to question whether this project provides clear and substantial benefits to the community.

Sincerely,

Sally Quinn, with Alan Burns

**Subject:** RMOW question regarding Climate Emergency Declaration and Resources

Dear RMOW Mayor, Council and Councillor Arthur DeJong (lead on Environment),

As the Mayor and Councillor Arthur DeJong know, I am both a resident in Whistler and a professional in the field of sustainability and sustainable development.

(In relation to this letter, I have led and supported the development and implementation of climate action plans for cities and mega sport events organizers (Olympics and FIFA World Cups). I am also a parent to 4 children (spanning 11-19 years of age) with my husband, Tony Kloepper).

At a recent group meeting, my friend and colleague David Van Seters, CEO of Sustainability Ventures Group and founder of SPUD, presented a compelling summary of municipalities who have recognized the devastating effects of climate change and have responded with "climate emergency declarations" (CEDs) and committed to accelerated climate action plans. (see attachment)

The municipal resolutions related to established CEDs include a range of commitments. The most common ones include the following:

- 1) Set specific targets – the most common target has been to adopt the targets set by the Intergovernmental Panel on Climate Change (IPCC), which are to reduce emissions by 45% from 2010 levels by 2030, 65% by 2040, and become net zero by 2050.<sup>3</sup>
- 2) Set up an ongoing expert body to develop climate emergency plan.
- 3) Assess all new projects and ban all those deemed to be damaging to climate stability.
- 4) Allocate financial resources to implement the plan.
- 5) Develop public education and communication plan to catalyze non-government action.
- 6) Lobby /encourage other governments to declare climate emergencies.

More information on climate action plans can be found here: <https://www.cedamia.org/action-plan/>

In July of this year, the Town of Squamish declared a climate emergency with specific commitments. <https://www.piquenewsmagazine.com/whistler/squamish-declares-climate-emergency/Content?oid=14069745>

I understand the RMOW will be providing an update on our municipal climate action plan at the upcoming Nov. 5th Council meeting. Perhaps this will include specific targets and updated action items in association with the suite of programs mentioned on the RMOW website: <https://www.whistler.ca/services/environmental-stewardship/climate-policy-planning>

I can imagine elements of the six actions steps mentioned in association with a CED are partially or fully underway.

I will be attending the council meeting and looking forward to the update, especially with respect to the direct action in keeping with the gravity of this climate emergency.

I'd be happy to come and meet with Arthur and/or RMOW to better understand and discuss the municipalities plans. I can imagine a substantial number of Whistler residents and especially our youth, will be especially keen to learn, support and monitor the RMOW's heightened climate action.

Thank you,  
Ann Duffy

# Climate Emergency Declarations: A resource for municipalities

## Background

Over half of the world's population now lives in cities and cities consume 80% of the world's energy and generate over 67% of the world's global emissions.<sup>1</sup> As a result, cities have the greatest responsibility and the greatest opportunity to provide a leadership role in reducing carbon emissions and avoiding potentially catastrophic and irreversible climate change impacts.

One important way that cities are responding is by declaring climate emergencies and committing to accelerated climate action plans. The first Climate Emergency Declaration (CED) was made by Yarra City in southern Australia in July 2017. Since then almost 1200 governments have made Climate Emergency Declarations.<sup>2</sup> In Canada, the first CED was signed in Quebec and as of October 31st, 2019, 469 governments have signed CEDs, including:

- 394 municipalities in Quebec
- 31 municipalities in Ontario
- 28 municipalities in BC
- 13 municipalities in other provinces
- 1 for Canada (House of Commons)
- 2 at the provincial or territorial level (Quebec and the Yukon)

It is noteworthy that Canada has signed more CEDs than any other country in the world. The UK is second with 384 CEDs and Australia is third with 69 CEDs. The United States has signed 51 CEDs. A list of the specific CEDs in BC is provided in the Appendix.

## Key strategies being used by Municipalities to support their CEDs

The municipal resolutions related to established CEDs include a range of commitments. The most common ones include the following:

- 1) Set specific targets – the most common target has been to adopt the targets set by the Intergovernmental Panel on Climate Change (IPCC), which are to reduce emissions by 45% from 2010 levels by 2030, 65% by 2040, and become net zero by 2050.<sup>3</sup>
- 2) Set up an **ongoing** expert body to develop climate emergency plan.
- 3) Assess all new projects and ban all those deemed to be damaging to climate stability.
- 4) Allocate financial resources to implement the plan.
- 5) Develop public education and communication plan to catalyze non-government action.
- 6) Lobby /encourage other governments to declare climate emergencies.

More information on climate action plans can be found here: <https://www.cedamia.org/action-plan/>

## Appendix: Climate Emergency Declarations in BC

City	Date of Declaration	Key Commitments	Key Targets	Capacity Building
City of Vancouver	16 Jan 19	53 accelerated actions	Net zero by 2050	Climate & equity working group
City of Richmond	4 Feb 19	Update climate action plan with strategies	Accelerate emission targets	Collaboration with other cities
Capital regional District	13 Feb 19	Encourage member muni's to adopt	Carbon neutrality by 2030	
Powell River	21 Feb 19	Establish climate action plan 2020	City operations to be carbon neutral in 2019	
New Westminster	11 Mar 19	Update existing plan with new targets		Track and report on emissions
City of Victoria	12 Mar 19	Update climate leadership plan to meet 2030 target, class action suit against oil firms	Carbon neutrality by 2030	Advocate province to close 25% emissions gap in Clean BC plan
Town of Esquimalt	18 Mar 19	Create climate plan to meet 2030 target	Carbon neutrality by 2030	Advocate for fed govt to meet Paris target
Saanich	25 Mar 19		Carbon neutrality by 2030	
Sidney	25 Mar 19		No specifics	
Sooke	8 Apr 19	Put strategies in 2020 plan to meet target	Carbon neutrality by 2030	
Nanaimo	29 Apr 19	Update community sustainability plan to meet target	Reduce emissions 50% from 2010 by 2030 Reduce emission 94-107% by 2050	Create new climate emissions reductions fund
Colwood	27 May 19	Update plan to achieve target	Carbon neutrality by 2030	
Port Moody	11 June 19		Meet IPCC Targets	
Squamish	2 Jul 19	GHG Reduction and implementation plan	Meet IPCC targets	
West Vancouver	8 Jul 19	Report on CEEP actions		
North Van Dist.	8 Jul 19		Meet IPCC target	Establish carbon budget Create climate & biodiversity cttee
Smithers	9 Jul 19		No details	
Duncan	15 Jul 19	Update of actions		
North Cowichan	17 Jul 19	Hire env. specialist and create integrated climate action strategy		
Langley Township	22 Jul 19	Create carbon budget	Stay within 1.5% limit	
Burnaby	9 Sep 19

To: corporate <[corporate@whistler.ca](mailto:corporate@whistler.ca)>

Subject: letter to council

Dear Mayor and Council:

What is the action plan for reducing cars as the primary method of travel from the lower mainland to Whistler please?

If someone could answer this instead of sending it to REX where it dies in an inbox, that would be great.

Regards,

Patrick Smyth

**Subject:** letter to council

Dear Mayor and council,

Would someone be able to explain why we still cannot get quarterly reports posted online in a timely basis, if ever, from the RMOW?

This is helpful in understanding the annual proposed budgets as it provides a better snapshot of finances now versus waiting until annual reports are filed.

See attached screen grab.

Regards,

Patrick Smyth

Hello,

I am writing to request a lighting of Fitzsimmons Bridge on behalf of the Stomach Cancer Foundation of Canada (My Gut Feeling).

Stomach Cancer Awareness Day is on November 30th and we are making this special day by lighting landmarks across Canada. Toronto, Montreal, Halifax, Niagara, Fort Erie, Calgary, Vancouver, Edmonton, Victoria and Newmarket have signed on to participate and we are hoping Whistler will too!

For more information, please visit [www.mygutfeeling.ca](http://www.mygutfeeling.ca)

I have attached our form, please let me know if you have any questions.

Thanks,  
Stephanie Koenig

Event Coordinator

## Landmark Lighting Request Form

Please complete the form and scan/email to [corporate@whistler.ca](mailto:corporate@whistler.ca) along with your cover letter addressed "To Mayor and Council" with information regarding your campaign or cause.

We will contact you to confirm the status of your request.

<b>Contact Name</b>	Stephanie Koenig
<b>Organization</b>	Stomach Cancer Foundation of Canada
<b>Business Address</b>	720 King St W.
<b>City/Province/Postal Code</b>	Toronto, ON M5V3S5
<b>Business Phone Number</b>	5196145212
<b>Business Email</b>	events@mygutfeeling.ca
<b>Website Address</b>	mygutfeeling.ca
<b>Brief description of the event associated with your request - 75 words or less</b> <i>(Information here will be used for communications and the sign on the bridge. RMOW will edit copy if necessary.)</i>	November 30 is Stomach Cancer Awareness Day in Canada and we are marking this special day by lighting landmarks across Canada.
<b>Optional: Social Media Campaign Title (include hashtags)</b>	#stomachcancerawareness
<b>Landmark Choice</b>	<input checked="" type="checkbox"/> Fitzsimmons Covered Bridge
<b>Date of Event</b>	November 30, 2019
<b>Colour Request</b>	Blue

**Signature:** \_\_\_\_\_

**Date:** Stephanie Koenig - Oct 31, 2019

This application does not guarantee that your event lighting request will be approved or your date is available.

**Sent:** Thursday, October 31, 2019 12:59 PM

**Subject:** Letter from the Honourable Katrine Conroy, Minister of Children and Family Development

**VIA E-MAIL**

Ref: 245429

His Worship Mayor Jack Crompton  
Resort Municipality of Whistler  
E-mail: [info@whistler.ca](mailto:info@whistler.ca)

Dear Mayor Crompton:

As Minister of Children and Family Development, I am honoured to once again proclaim November as Adoption Awareness month. This month of recognition encourages us to reflect on those in our province who have selflessly opened their hearts and lives through adoption. This month, we also take the time to champion and guide those who might consider adopting now or in the future.

It is my wish to see a province where growing up in a stable home with food, shelter and love is a given for all children and youth in British Columbia. Unfortunately, there are hundreds of young people still hoping to find a home and a family to call their own. Adoption can provide some of the most vulnerable people in our communities with the support and guidance necessary to thrive in both the present and as they grow into adulthood.

For more information on the Adoption Campaign of 2019, please visit [Adoptnow.ca](http://Adoptnow.ca).

Proclaiming November as Adoption Awareness month is not the only way your community can support adoptive parents and those who might choose to adopt in the future. In addition to your proclamation, you could organize an information session for prospective parents in your community or a celebration for those who are already adoptive parents. You can explore the variety of adoption awareness events happening around our province in November here: <https://www.bcadoption.com/aam>. If you would like more guidance or information on how to champion and raise awareness about adoption, please connect with Ministry of Children and Family Development (MCFD) staff at [MCF.AdoptionsBranch@gov.bc.ca](mailto:MCF.AdoptionsBranch@gov.bc.ca).

An important pillar for all those involved in adoptions in British Columbia is [The Adoptive Families Association of British Columbia](#), which has been a support for adoptive families in British Columbia for over forty years. You may wish to [connect with the association](#) to learn more about your community's involvement in adoption events, their contact information, as well as contact information for the licensed adoption agencies in British Columbia and more.

[Adopt BC Kids](#) is an online portal that allows citizens to complete an adoption application 24 hours a day, seven days a week. I encourage you to take the time to explore this resource and provide it to any community members who are interested in adopting a child in foster care.

On behalf of MCFD, thank you for leading your communities and supporting both those who have opened their homes and hearts and those who might do so in the future. With your help and support, more children and youth could find their forever homes.

Sincerely,

***ORIGINAL SIGNED BY***

Katrine Conroy  
Minister
