Subject: Fwd: White Gold beautification

Ms. Cullen, Honourable Mayor and Council,

I would like to add my name to the White Gold residents that are opposed to the underground wiring proposed project. As much as the project has merit, from a beautification perspective, I believe the project cost to the home owner is too expensive.

I believe the previous canvassing White Gold Residents was in complete and a lack of a response should not be interrupted as a vote for the project. I did not have a chance to vote last time. Please note my address is 7450 Ambassador Crescent V8E0E4 (not 5211 Ranger North Vancouver, a former address).

Thank you

David Hughes
