April 11/22

Honourable Mayor and Council

Bob Hall  
7229 Fitzsimmons Rd., S  
Whistler BC, V0E 0E6

I have been at my White Gold location since 1968 and I am sending you this email to please revote the Underground Utilities/ Beautification Project for the following reasons;

- 1) Costs have exceeded well over original figures and have still not been confirmed.
- 2) With going through Covid and now high inflation this is wrong time to be adding further costs to residents.
- 3) Taxes are already very high and most long term residents cannot afford another another lump sum of over \$ 46,000.00 per Home which could cause further hardship for residents.
- 4) Removal of Trees now that was not mentioned.
- 5) Final design and cost still not confirmed to date so how can the original vote be honoured?
- 6) Disruption to households for years to complete Project.

Thank you for taking time to consider this matter further and asking you to please revote the project.

The last thing I don't want to do is to have to move out of beautiful Whistler because of higher Taxes for Beautification that isn't necessary.

Yours sincerely  
Bob Hall
