

Dear Mayor and Council,

In recognition of World Parkinson's Day this April 11, Parkinson Society British Columbia is partnering with landmarks and facilities across the province to light up for Parkinson's awareness. We would like to invite Whistler to show its support for over 13,000 British Columbians living with Parkinson's, and help spread the message that no one is alone in their journey with this disease.

Please consider lighting up the Fitzsimmons Creek Bridge in teal and magenta this April 11 to signify the colours of our community as represented by Parkinson Society BC. For over 50 years, our Society has served to empower people with Parkinson's and their loved ones by providing resources and tools for self-management, self-reliance, and self-advocacy. To learn more about the Society, and how your organization can support us this World Parkinson's Day, visit [www.parkinson.bc.ca/awareness](http://www.parkinson.bc.ca/awareness).

Attached is the completed request form. If you require any additional information about our campaign, or have any questions about Parkinson Society BC, please let me know. We look forward to hearing from you.

Your support makes a difference. Thank you for your consideration.

Warm regards,

**Kat Perez**

*Community Engagement Assistant*

## Landmark Lighting Request Form

Please complete the form and scan/email to [corporate@whistler.ca](mailto:corporate@whistler.ca).

This application does not guarantee that your event lighting request will be approved or your date is available.

We will contact you to confirm the status of your request.
