Dear Mayor and Council,

I am writing today, again, after a dangerous morning at the bus stop on Alta Lake Road at the Tamarisk/Twin lakes bus stop.

I have just arrived back home after walking my daughter to her bus. I am enraged.

What could be more important than making sure our children are safe?

How many letters does the community have to write for you to understand that we have a disastrous situation on Alta Lake Road?

Rather than go into specifics on what our mornings usually entail on that road, I would like to invite someone to come down and observe.

Today, there was a very close call. One parent was swearing, two were in tears. This is how our children are starting their mornings.

It is far too dangerous.
