Dear Mayor and Council:

Alta Lake Rd between highway 99 and Tamarisk and Vision Zero

Please review the comment from [REDACTED] – [REDACTED] as well as comments from other parents at [REDACTED]

We almost got hit Thursday morning by a well-known local who stopped at the marked crosswalk at the last second as we entered it and profusely apologized. He said he didn't see the crossing. I believe him. He is literally the nicest person we know in Whistler, and he felt terrible.

This is not an enforcement issue. This is a municipal responsibility to put in proper traffic calming measures along with this great 30km bylaw. We struggle wondering how difficult it is to put up better signage, lighting, speedbumps, or other proactive measures in our child-filled neighbourhood. This should be a priority.

Regards

Patrick Smyth
