

May 29, 2022

To Mayor and Council:

We would like to request Fitzsimmons Covered Bridge be lit orange on November 7, 2022 for the ninth-annual Color The World Orange™. We are so appreciative of your past support and would love it again this year.

Color the World Orange™ is an annual event held the first Monday of November to spread awareness of Complex Regional Pain Syndrome (CRPS), also known as Reflex Sympathetic Dystrophy (RSD), a debilitating nerve condition characterized by continuous, intense, burning pain that is out of proportion to the severity of the original injury.

Your support helps to bring visibility to a condition that too few people know about or understand and for which there is no cure.

This year for the ninth-annual Color The World Orange™ more than 80 buildings, bridges and landmarks have already agreed to be lit orange including Niagara Falls, the Rock & Roll Hall of Fame in Cleveland, Ohio, the Helmsley Building at 230 Park Avenue in New York, the Calgary Tower in Calgary, Canada and Tower 42 in London.

Last year the eighth-annual Color The World Orange™ saw 150 buildings, bridges and landmarks including Niagara Falls, the CN Tower in Toronto, Eden Park in Auckland, New Zealand, Adelaide Oval in Adelaide, Australia and Mansion House in Dublin lit orange for Color The World Orange™.

As lightings are confirmed, they are added to the Color The World Orange™ social media pages and website: www.colortheworldorange.com

Please let us know if you have any questions. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kristen Haunss'.
