Brief description of the event associated with your request - 75 words or less <i>(Information here will be used for communications and the sign on the bridge. RMOW will edit copy if necessary.)</i>	On behalf of Fragile X organizations and families who love someone with Fragile X, like my own, around the globe, we're working on a worldwide project to illuminate buildings, landmarks, and bridges in the colour teal for World Fragile X Day on July 22. Fragile X syndrome is the most known cause of inherited intellectual disability and the leading known single-gene cause of autism. Raising awareness for Fragile X is crucial as it helps to accelerate progress towards effective supports, treatments, and, hopefully one day, a cure.
