Good afternoon,

Just a quick email to show support in finding a suitable location for indoor tennis specifically in my case. I play twice a week now for indoor tennis and my kids participate in the many options there as well.

I know there is a process in motion. I've lived in Whistler for 5 years and will continue to live here including raising our 9 and 5 year old.

A community without covered indoor tennis courts in my opinion would be a large long term mistake.

Thank you for making sure an indoor facility is included as the current area is developed (which I understand and support) to make sure the Beedie Group funds an alternative facility somewhere in the Whistler regional area.
