<b>Brief description of the event associated with your request - 75 words or less</b> <i>(Information here will be used for communications and the sign on the bridge. RMOW will edit copy if necessary.)</i>	<p>Dyslexia Canada is committed to ensuring that all children in Canada have equal access to education. Imagine trying to manage everyday life with a disability that makes it difficult to read, write or spell. This is the reality that 10-20% of Canadians who live with dyslexia face. Dyslexia is a hereditary, lifelong condition that with proper identification and specific instruction, can be managed.</p> <p>For kids with dyslexia, the teacher's red pen is a constant reminder of the lack of awareness and support needed for them to learn to read, write and spell and be successful in school and in life. In recognition of Dyslexia Awareness Month, Dyslexia Canada will be asking that buildings across Canada be lit up red for one day during our fifth annual campaign "Mark it Read for Dyslexia".</p> <p>In 4 short years, we have gone from 13 lighting to over 90 last year. To mark our 5th year, Dyslexia Canada's goal is to reach 100. This October, please consider our request to light up your building in red for one day to bring awareness and shine a light on the kids in our classrooms who need our help.</p>
