Dear Mayor Jack and City Council,

We are writing to request our City Council proclaim **October 2022 as Community Inclusion Month** in the **Municipality of Whistler**.

Each October, British Columbians across the province celebrate Community Inclusion Month. This is a time to recognize the contributions and potential of people with developmental disabilities. It is also a time to recognize the families, friends, caregivers, volunteers, community groups and employers who make our province stronger by ensuring people who live with diverse abilities can fully participate in our communities.

This will be the 24<sup>th</sup> year that communities across B.C. hold events to help build awareness about inclusion and to honour individuals and families for their achievements in building more welcoming and accessible communities.

Please find attached with this letter suggested wording for the proclamation. Thank you for considering this request to proclaim **Community Inclusion Month 2022** in your community. We will look forward to hearing from you.

Please note that we plan to invite self advocates to witness the proclamation.

Thank you.

Sincerely,
