

Mayor and Council.

Greetings on behalf of ink-stainedwretches.org, our grassroots volunteer advocacy group dedicated to building a culture of appreciation for quality public-service journalism in Canada.

Although our group includes more than 30 volunteers across the country, unfortunately we do not have a representative in Whistler at this time. So, as the group's co-ordinator, I'm submitting this request.

We respectfully ask that you proclaim **May 3, 2023**, as [World Press Freedom Day](#) (WPFD) in Whistler. In 1993, the United Nations General Assembly proclaimed that day each year to be WPFD.

As quality journalism is essential for healthy democracies to function, we are asking municipalities across Canada to recognize WPFD in some fashion. In eight provinces last year, 15 municipalities — including Vancouver and Prince George — recognized the day in one way or another. Please feel free to [view the list](#).

I'd like to propose the wording displayed below my contact information.

In addition to this proclamation request, I have submitted a request for the Fitzsimmons Covered Bridge to be lit for the occasion.

Thank you for your consideration,

Mirko Petricevic
