

Hello Mayor and council,

Keith here,

Regarding the war between Israel and Hamas militants:

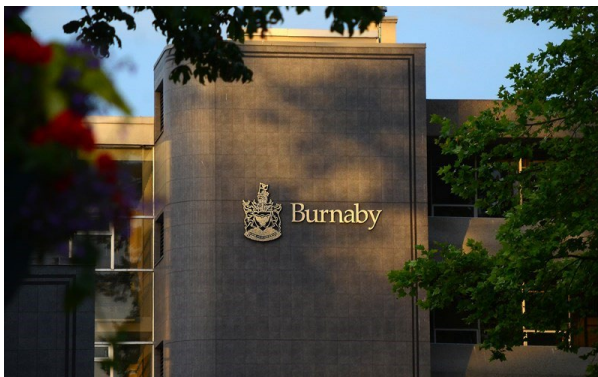

Please review the attached showing Burnaby council urging for a ceasefire.

The current numbers:

- 1,400 dead Israelis
- Many wounded

- 10,000 dead Palestinians
- More than 4,000 dead are children.
- 25,000 wounded.
- 1.4 million displaced.

As we approach Remembrance Day, a call for an immediate ceasefire puts Whistler on the correct side of history.
