Policing Resources	Measures Proposed

<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No Have you contacted the RCMP regarding the need for additional policing resources for the proposed event?	
Late Night Transportation	Measures Proposed
Late night transportation services (transit and taxis) are limited. Explain the transportation measures you intend to take so that dispersing patrons do not cause unacceptable noise impacts on those staying in accommodation units.	Annually we work with the local taxi providers to be available to take our guests away if needed. Most of our accommodations are centered around the Conference Centre and therefore our guests tend to walk back to their accommodations. Having a 4AM closing time also allows our guests to leave at staggered times. The crowd will start to thin out in waves at 12-Midnight, 1AM, 2AM, 3AM and 4AM.
Other	Measures Proposed
In the box provided explain any other measures you propose to mitigate the potential negative impacts associated with an extension of hours	Work with local transportation providers to offer safe options to get home, remind our guests in our program guide, social media, posters and in-person to be respectful and quiet upon leaving our venue throughout the week.
