<b>Brief description of the event associated with your request - 75 words or less</b> <i>(Information here will be used for communications and the sign on the bridge. RMOW will edit copy if necessary.)</i>	May 12, 2024 is the 32nd anniversary of Fibromyalgia Awareness Day as recognized by the World Health Organization (WHO). I am contacting you to ask if you would again light up Oakville Town Hall in purple, in recognition of the 2-4% of Canadians living with fibromyalgia. That is almost 2 million Canadians who have been diagnosed with fibromyalgia. There are still many more Canadians waiting to be diagnosed or who are not counted in these numbers because they have another primary condition, such as cancer, cardiac issues, etc.
