Light up in Blue Campaign for Prostate Cancer Awareness Month in September

Good morning, we would like to ask the Resort Municipality of Whistler to join us again in September 2024 for our Prostate Cancer Awareness month. We would like to request the Fitzsimmons Covered Bridge to light up in blue for any days you would have available in September.

The Resort Municipality of Whistler has been a wonderful supporter of ours for many years.

Prostate cancer affects 1 in 8 men and is the #1 cancer in men.

We thank you for your continued support.
