I am not fond of the idea of having a cannabis retail operation in the plaza.

We have seen already a number of issues relating to customers of the liquor store creating issues on site and I believe having a cannabis store in addition to the liquor store would negatively impact the plaza.

I do not support this application.

I am writing to you to comment on the proposal for a Temporary Use Permit for a Cannabis Retail outlet at @103 – 7015 Nestor's Road.

I am the owner of a unit in the building at ■ 7001 Nester's Road. I am concerned that this particular destination retail outlet will increase traffic in the already crowded and busy Nester's location beyond the numbers that were contributed by the previous tenant- a massage business.

For that reason I would oppose this proposal.

Sincerely,

Maureen McDonnell
