To Mayor and Council:

Re: Support for Teal Lights on Fitzsimmons Bridge for April Sexual Assault Awareness Month

This letter is a request for the support from Mayor and Council for the teal lighting of the Fitzsimmons Bridge for the month of April for Sexual Assault Awareness Month (SAAM) campaign.

SAAM started in 2001 to bring awareness and prevention of sexual assault, harassment, and abuse. The goal of the campaign is to send a consistent message, providing an opportunity to develop public awareness of sexual assault issues and build healthy relationships.

Whistler RCMP alongside its partners, such as the Resort Municipality of Whistler, are hoping to provide public support to those who have died from sexual violence, and supporting survivors of sexual assault, and victims who continue to be targeted for these violent crimes. We are hoping for this to be publicly displayed by lighting the Fitzsimmons Bridge with the colour teal for the month of April.

The Whistler RCMP will be running several media campaigns throughout the month of April in order to provide information, support services, and a cohesive approach to sexual violence victim support in the community. This initiative was approved in previous years and we are looking for continued support in 2024.

Thank you for your consideration and please contact myself if you have any questions or concerns.

Respectfully,

Cst. Amanda KRUGER
