DISCUSSION

Background

At the end 2023, Resort Municipality of Whistler (RMOW) overall operating revenues were at 115 per cent, and operating expenditures 101 per cent of their quarterly budgeted amounts. Budgeted operating amounts were amended once in 2022, and once in 2023. The numbers presented here and in Appendix A reflect the as-amended figures for both years.

At year-end, actual net project expenditures reached 69.6 per cent of total budgeted amounts for the year.

Investment income for the year ended December 31, 2023 was \$4,653,689 (unaudited). This is 143 per cent of the total budgeted investment income for the year and compares to prior-year amounts of \$3,215,197.

Additional commentary and financial information are provided in the report attached as Appendix A.

POLICY CONSIDERATIONS

2023-2026 Strategic Plan

The Strategic Plan contains four priority areas with various associated initiatives that support them. This section identifies how this report links to the Strategic Plan.

Strategic Priorities

Housing

Expedite the delivery of and longer-term planning for employee housing

Climate Action

Mobilize municipal resources toward the implementation of the Big Moves Climate Action Plan

Community Engagement

Strive to connect locals to each other and to the RMOW

Smart Tourism

Community Vision and Official Community Plan

The Official Community Plan (OCP) is the RMOW's most important guiding document that sets the community vision and long-term community direction. This section identifies how this report applies to the OCP.

This report moves the RMOW towards the goals and objectives of the OCP. It does so by ensuring transparency and accountability to stakeholders and the community, as well as educating and engaging Whistler businesses, residents, and visitors by providing timely and accurate information to illustrate connections between policy and community financial health. Additionally, this report aligns with the objectives of the OCP by:

- Continuously evaluating Whistler's method of infrastructure financing (6.1.1.1), and
- Ensuring the Five-Year Financial Plan provides the framework for the efficient financial planning and investment consistent with the goals, objectives, and policies of the OCP (6.3.1.1).

BUDGET CONSIDERATIONS

There are no direct external costs to prepare the quarterly financial report. All internal costs are accommodated within the annual operating budget of the RMOW.

LÍL WAT NATION & SQUAMISH NATION CONSIDERATIONS

The RMOW is committed to working with the Líl'wat People, known in their language as *L'il'wat7úl* and the Squamish People, known in their language as the *Skwxwú7mesh Úxwumixw* to: create an enduring relationship; establish collaborative processes for Crown land planning; achieve mutual objectives; and
