To The Municipality of Whistler,

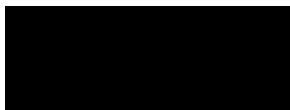

I, Lauren Senft, am the owner of 4941 Horstman Lane, in Whistler BC at V0N 1B4.

I have reviewed the updated plans provided by the owners (Cameron and Sarah) of the neighbouring property at 4937 Horstman Lane, including the hot-tub covered area and side stairs.

I am writing today to confirm that the current as-built structure on 4937 Horstman Lane is satisfactory and that my family is okay with it remaining unchanged.

If you require any other information from me at this time, please let me know.

Sincerely,

Hi Richard.

sorry for the delay. It took me 2 weeks to track down and then get this letter from 4933. I just found out that they have listed their place for sale and therefor were concerned about the mess / disruption a new roof installation may cause this spring. They were slow to respond but have provided email of support below.

I will also forward the letter from the other neighbour also.

Cameron
