

Hello,

My name is Michelle Avery and I am writing to you today on behalf of The Endometriosis Network Canada (TENC), the first registered charity in Canada dedicated to raising awareness of endometriosis and helping those it affects.

March is Endometriosis Awareness Month, a time of year that our community comes together in-person and virtually to bring more awareness and endometriosis education to those around us. During the pandemic, with canceled endometriosis operations, it has felt dark for many within our community of over 8000 members, and we are doing our best to light up the country in yellow for endo awareness.

The involvement of these monument illuminations exceeded our expectations last year, and we hope to successfully light up the globe once again! We are requesting to have Fitzsimmons Bridge, Whistler lit yellow for Endometriosis Awareness Month on Saturday, March 1, 2025 though we will happily accept any date within the month of March. The lighting will help to create more awareness for Endometriosis, and we are hoping that we will be able to draw unity within the community. We will be informing our community about the monument lighting via our social platforms upon approval. If you are interested in more information about TENC please visit any of our social media links below.

Thank you for considering The Endometriosis Network Canada for this monument lighting opportunity.

For more information about us, please visit: <https://endometriosisnetwork.com/>

Sincerely,

Michelle Avery (she/her)

Administrative Assistant/Support Group Coordinator

Landmark Lighting Request Form

Please complete the form and scan/email to corporate@whistler.ca along with your cover letter addressed "To Mayor and Council" with information regarding your campaign or cause.
