**RE: Completion of Fuel Management Project (SWPI-724: Alta Lake Road/CCF5
Operational Treatment, Jan 2017)**

Dear Mayor Crompton and Council,

Thank you for submitting final report documentation for the completion of the above noted fuel management project. The Strategic Wildfire Prevention Working Group has reviewed your submission and the reporting requirements have been met.

The final report notes total project costs of \$160,049.31. The approved eligible grant for this project is \$100,000. Based on this, payment in the amount of \$25,000.00 will follow shortly by electronic funds transfer. This represents final payment for the project, including the progress payment of \$75,000.00, issued in December 2019.

On behalf of the Working Group, I congratulate you on the successful completion of this project and offer best wishes for future community safety work in your community.

Sincerely,

Peter Ronald
Program Officer

RE: Completion of Fuel Management Project (SWPI-831: Block 1, CCF3 & CCF4 Prescriptions, 2017)

Dear Mayor Crompton and Council,

Thank you for submitting final report documentation for the completion of the above noted fuel management project. The Strategic Wildfire Prevention Working Group has reviewed your submission and the reporting requirements have been met.

The final report notes total project costs of \$38,991.12. Based on this, payment in the amount of \$5,002.50 will follow shortly by electronic funds transfer. This represents final payment for the project and is based on seventy-five per cent (75%) of total eligible costs to the approved grant maximum, less the progress payment of \$15,007.50 issued in December 2019.

On behalf of the Working Group, I congratulate you on the successful completion of this project and offer best wishes for future community safety work in your community.

Sincerely,

Peter Ronald
