Subject: Pizza Truck Alpine

Dear Mayor and Council,

I Janis McKenzie of 8206 Mountain view Drive, Whistler BC. wanted to share our thoughts on Korey's Pizza truck in Alpine. We have known Korey for many years and have lived down the street from him for the last 5 years. We have nothing but great things to say about him personally and the business he is running especially with the Covid -19 situation. As everyone is staying socially responsible, staying inside and social distancing, it is a real TREAT to be able to order pizza from Korey and walk down the street to pick up our pizza. It has become what we use to say 'our night out', but staying within the boundaries of isolation. We feel he is adding a great service to our community and neighbourhood, one we would hate to lose.

We hope the municipality, during these uncertain times, keeps this one thing we look forward to - a night of no cooking and pizza and allows Korey to continue with his business in Alpine.

Thank you.
