Hello Cheakamus Crossing - Council is considering the asphalt procurement policy on Tuesday. If you haven't had the chance to comment through the public process you can email [council@whistler.ca](mailto:council@whistler.ca) and see details at <https://www.whistler.ca/municipal-gov/council/meeting-agendas-and-minutes>.

Dear Mayor and Council,

I accept your invitation to comment.

If I may, I would like to ask the Mayor and Council to take a step back before making any decisions regarding the quarry operation in Whistler.

In the hope, that remembering Albert Einstein's quote would help all of us to make the right decision, he said;

*- We cannot solve our problems with the same thinking we used when we created them.*

Thank you for taking the time to read this short note.  
Respectfully,

Joseph Farsang
