Mayor and Council,
Resort Municipality of Whistler
Whistler, B.C.

Dear Mayor and Council,

I am writing as a homeowner on Alta Lake Road regarding our upcoming sewer. Although the sewer will be welcome it is still very costly. Whether paid up front or amortized this is on top of already considerable taxes.

Given the Covid situation and unspent federal infrastructure grants, I would like to request that the RMOW apply or reapply to all levels of government for funds to offset the cost of this project.

Sincerely,

J'Anne Greenwood
