**Subject:** White Gold Proposal Underground Utilities

Honourable Mayor and Council

Please find my letter opposing to move the Utilities underground in White Gold.

I have owned and lived in White Gold for over 50 years love the community.

I oppose the project for many reasons;

- 1) extraordinary costs of Project for a Beautification Luxury.
- 2) Have not been given a firm cost for the project
- 3) Cost from property line to House unknown to bring up to code and repairs to House and property.
- 4) lack of Transparency from committee pushing forward with Project.
- 5) Additional Property Taxes after \$ 4000 increase in 2020 Taxes.
- 6) Timing Covid I'm self employed and my business is down 80% and cannot afford this Beautification Project now and for years to re cover.

Thank you for taking time to read my letter and please take into consideration reversal of moving ahead with this decision.
