The PEACE (Prevention, Education, Advocacy, Counselling and Empowerment) Program offers support and counselling services to children, youth and their families in Whistler and Pemberton who are experiencing conflict through abuse/violence in relationships and/or separation and divorce. The HSWC receives funding for 17.5 hours a week from the Ministry of Public Safety and Solicitor General for both communities. To maintain a 0 waitlist the program has been operating at 31 hours per week. The \$10,000 funded by the RMOW goes towards approximately 7 hrs per week of the counsellor wages and benefits. In addition, to meet the growing needs of the two communities the HSWC has made the decision to fund an additional 6.5 hours, from our Social Enterprise. With the funds from the Ministry of Justice, Community Enrichment grant and from our Social Enterprise we can continue to offer 31 hours per week in order maintain a 0 or minimal waitlist and to effectively meet the needs of the children, youth and families within Whistler and Pemberton.

-------------------------	--

To date in 2020 (Jan to Oct), we have supported 18 children and youth through one to one counselling, 19 through support groups and 16 children through our summer camp program. This includes 132 counselling hours, 190 group counselling hours, and 72 parent support hours.

Due to COVID-19 our individual counselling and group counselling hours are lower than usual because of having to stop counselling for a few weeks. The counsellors ahve been very creative and doing sessions through zoom and going for many walks out in nature to help alleviate the risks

Please note that we do not have any receipts for this grant due to all funds going towards wages.
