GRANT INFORMATION

Purpose of Grant	Explain in detail how the funding was spent. Please note, this year, we advised that the funds were not tied to your original request, but to use the funds as best deemed by your organization.

The primary purpose of this grant is to contribute to a portion of the wages of the Skills Development Program (SDP) Coaches, the Master's Program Coaches and the SDP Cordinator's payroll. Coaching wages for these programs is the largest expense to our club. We intend to use CEP funding to assist with the coaching for these programs so we can continue to offer the community affordable, nationally sanctioned programs with NCCP Certified Coaches to support both the technically advanced youth that compete at a Provincial and National level as well as the beginners and recreational athletes that will develop the sport of Nordic skiing for life. We also expanded our range of programs this fall and offered a dryland program for ages 8-12 years and we are hoping to host an on snow camp for youth ages 9-13 in December.

The Whistler Nordics financial year runs from April 2020 to March 2021 and due to the seasonal nature of the sport, the majority of the activities of the club take place over the winter season. Therefore, the funds have not been spent yet. The club's financial statement shows a healthy income as all monies collected will be disbursed over the next 4-5 months between Dec 2020 and March 2021 once the on-snow programs commence next month.

We have seen a 50% increase in registration for this winter which has led us to hire more coaches and they are undergoing training and participating in NCCP workshops prior to the season.

Specifically funds will be used towards:

Coach wages (hired and due to start Dec 5, 2020 for the winter programs)

Was This a New Program or Activity?	If yes, please describe if the program was a success or needs improvement, and if it will continue in future years.
	provide the state of the state

This is an existing annual program in which the main program goals are to introduce cross country skiing and a healthy lifestyle. Our winter programs of 2020-21 are high in demand and we have waitlists for both youth SDP & Masters programs this year. Our goal is to keep expanding the interest in the sport locally and provide locals with the means to become technically competent and keep active for life. We have been running programs for 17 years and will continue to run in future years.

Additional Information: Pleas

Please list any additional information regarding your grant that you would like to report.

Nordiq Canada has mandatory coaching quailifications for coaches and ths grant helps us train new and returning coaches to a higher level, which in turn gives our participants a better quality coaching experience. Most of our coaches are returning and come from a variety of backgrounds: high school, high performance athletes, National Biathlon Team, highly experience cross country skiers etc. It is amazing for our program participants to learn from such a wealth of resources.

The Whistler Nordics remain immensely grateful to the RMOW for the Community Enrichment Grants we reciever and to the Austrian Passive Group, Austrian government and Whistler Blackcomb Foundation for space and time set aside for the use of the Passiv Haus at Lost Lake.
