Dear Mayor and Council,

Please supply me with:

1. All disbursements of moneys from RMI/other Government funds to which I don't know the letters too. For years 2019, 2020, budget 2021
2. Please supply me with name of Capital Project and name of person at RMOW in charge of different capital projects for 2021 that have a draft budget of over 1 million dollars.
3. Please tell me how many homes/domiciles are owned by RMOW. And their addresses
4. Please supply me with actions taken by new CAO that have resulted in reductions of RMOW expenditures. (I realize we have had certain spending that would never have been anticipated.) I am looking for evidence of actions taken, therefore results.
5. Please confirm that RMOW supports and takes action on Earth Day; that reduces it's consumption by the actions it takes.

Thank you,

John Sinclair
