GRANT INFORMATION

Purpose of Grant	<i>Explain in detail how the funding was spent. Please note, this year, we advised that the funds were not tied to your original request, but to use the funds as best deemed by your organization.</i>
<p>The Community Enrichment Program (CEP) from the Resort Municipality of Whistler (RMOW) has historically supplied funds for Whistler Community Foundation (WCF) Neighbourhood Small Grants Program (NSG). The NSG is known for bringing neighbours together to work on projects, learn new things as a community and build resilience neighbourhood by neighbourhood. Given the CEP program was designed to serve our community in the realm of environment, social service, community service, recreation and sport or arts and culture, we always believed it to be a great partnership with our Community Foundation and Whistler's neighbourhoods.</p> <p>In light of Covid 19, the NSG program, pivoted to create a broader scope that would help maintain connections, but online and with a more interest-based (e.g. cooking, music, gardening). While NSG is a very worthy program, the growing need in our community was apparent and Whistler Community Foundation (WCF) was grateful to learn that the barriers to spending on the CEP Grant had been removed.</p> <p>Emergency Support The \$4000 granted through the CEP was used by Whistler Community Foundation to support urgent needs of local charities through our Emergency Fund. We are proud to be entrusted with the funds and used them carefully to support our most vulnerable populations. Specifically, the \$4000 was used to provide Multicultural Outreach Workers the opportunity to help at the Food Bank.</p>	

Was This a New Program or Activity?	<i>If yes, please describe if the program was a success or needs improvement, and if it will continue in future years.</i>
No, the Emergency Fund has been available to the community since 2005.

Dear Lucy,

November 24, 2020

Please see below for the total disbursed from the WCF Emergency Fund between March and October 2020. The highlighted grant below was for Whistler Multicultural Outreach workers to attend Food Bank distribution and support people who needed help accessing further mental, social and physical health supports. As you can see, more than the \$4000 from CEP was used to support the Multicultural Society in their important work. The cheque photo is from our bank statement. No receipts are exchanged when grants are provided.

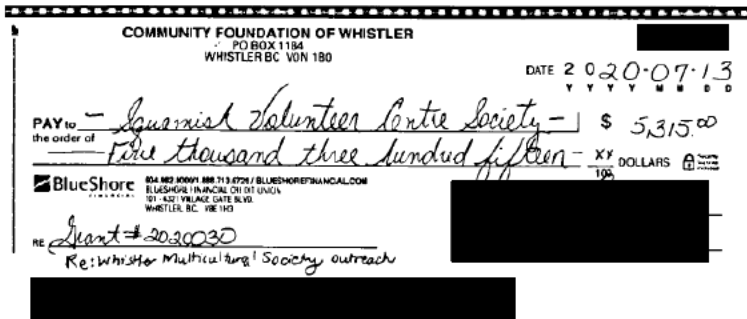

If you have any questions, please let me know.

Thank you,

Claire
