## GRANT INFORMATION

<b>Purpose of Grant</b>	<i>Explain in detail how the funding was spent. Please note, this year, we advised that the funds were not tied to your original request, but to use the funds as best deemed by your organization.</i>
<p>The funding that we have received for Better at Home continues to support valuable program time in Whistler. Our housekeeping contractor offers bi weekly and monthly service to several clients. Due to the Covid19 pandemic we were unable to offer this cleaning service as well as transportation service between March and July 2020 but have resumed and hope to continue through the Winter.</p> <p>We have not been able to participate in community events as in the previous year, the Covid19 protocols in place have prevented us from participating, although some of these events we attended in the past were not organized. Such as WCSS Health Fair, Seniors Day events and our ability to access the Whistler Library to participate in presentations.</p> <p>As a result of restrictions, our Program Coordinator has also not spent as much time as she would like in the Whistler community, hopefully this will increase.</p>	

<b>Was This a New Program or Activity?</b>	<i>If yes, please describe if the program was a success or needs improvement, and if it will continue in future years.</i>
Looking forward to going into our eighth year in the Sea to Sky Corridor.

### **RMOW awards \$12,000 in grants to Sea to Sky Community Services**

**Squamish, British Columbia, Canada** – Whistler seniors and parents with young children will benefit from \$12,000 in grant funding awarded to Sea to Sky Community Services (SSCS) by the Resort Municipality of Whistler (RMOW).

The funding was received as part of the RMOW's annual Community Enrichment Program (CEP), which supports not-for-profit organizations or societies that benefit the resort municipality.

SSCS received \$7,800 for its Parent & Tot program, and \$4,200 for Better at Home. The Parent & Tot program will use the money to support staff wages for its drop-in program, while Better at Home will use the funding to develop a larger client and volunteer base for its seniors outreach programming, and to provide services.

"We would like to thank the RMOW for their continued support," said Jaye Russell, Executive Director at SSCS. "Funding from the Community Enrichment Program is essential to provide these much-needed programs and social services to Whistler residents."
