GRANT INFORMATION

Purpose of Grant	<i>Explain in detail how the funding was spent. Please note, this year, we advised that the funds were not tied to your original request, but to use the funds as best deemed by your organization.</i>
<p>Due to the sudden onset of the COVID-19 pandemic these funds were put towards salaries of outreach services staff to ensure we were able to keep up with demand of current programs while also creating new programs to support the community that were COVID specific. New programs included Quaranteens (support group for teens May - July), Parenting Support (for parents with toddler and school aged kids), and Pre-Natal Support (for new expecting parents).</p>	

Was This a New Program or Activity?	<i>If yes, please describe if the program was a success or needs improvement, and if it will continue in future years.</i>
<p>Not a new program, but programs that saw unprecedented demand specifically during the first 4 months of the pandemic (March - July 2020). Outreach demands for mental and emotional health support increased more than double, and clients self identifying in crisis rose from 17% to 56% in the height of the first wave. Outreach services also saw a demand increase in clients seeking assistance with navigating federal support programs.</p>
