GRANT INFORMATION

Purpose of Grant	<i>Explain in detail how the funding was spent by referencing your grant application form and how the purpose/goals of the grant request were met.</i>
<p>The purpose of the grant was to purchase new sails for our fleet of Optimist Sailboats. These boats are used by kids age 5 to 13. The Optimist is the most used boat at WSA and their sails need to be replaced periodically due to wear and tear.</p> <p>These sails will be used everyday in our summer sailing camps.</p>	

Was This a New Program or Activity?	<i>If yes, please describe if the program was a success or needs improvement, and if it will continue in future years.</i>
<p>No this was for an existing program.</p>

<p>It was a great surprise to receive this funding at the end of the summer. The majority of our clientele are children of local residents or second home owners. The CEP contributed directly to the experience of the students on the lake by enabling us to provide quality equipment for them to use. We were also able to purchase more sails than originally anticipated by securing good pricing through a supplier specialised in providing equipment for sailing schools. Therefore we were able to equip each Optimist sailboat with a new sail.</p> <p>Thank you for supporting us once again this year. Francois General Manager and Head Coach</p>
