GRANT INFORMATION

	Explain in detail how the funding was spent.
Purpose of Grant	Please note, this year, we advised that the funds were not tied to your original
	request, but to use the funds as best deemed by your organization.

The funding is being spent on a pitching machine, ball feeder, two screens and a batting tee. There is a small surplus of the grant fund which we intend to put towards the batting cage which we plan to purchase/install in 2021.

If yes, please describe if the program was a success or needs improvement, and if it will continue in future years.
needs improvement, and in twin continue in ruture years.

WSPA has not owned this equipment previously. The equipment will allow members to improve their batting skills. The equipment will be available for members to use through a reservation system. The pitching machine and associated equipment can be used on the field, or in a batting cage. WSPA are hoping to build a batting cage in 2021.

The pitching machine and associated equipment will allow players of all skill level to improve their technique and build confidence. WSPA caters to player of all abilities. Our league consists of experienced and novice players. Some players have played for many years and others are new to WSPA. We cater to beginner players in our lower divisions and expert players in our higher divisions. Everyone will benefit from the pitching machine.

Our season runs from May to September every year. Due to the delay in receiving funding in 2020, we were not able to purchase the equipment for use in the 2020 season. The equipment is currently being ordered and will be utilized in 2021.
