## GRANT INFORMATION

<b>1. Purpose of Grant:</b>	<i>Explain in detail how the funding will be spent. Please refer to Council Policy A-7 Community Enrichment Program, available at <a href="http://www.whistler.ca/cep">www.whistler.ca/cep</a> for funding criteria and eligibility. Please be as concise as possible using the space below.</i>
Grant Request: \$6,000	
<p>1) We would like to use \$2,000 for repairing our existing roller skis to give them a longer life and for purchasing new Classic technique roller ski equipment that can be used to support our expanded summer and fall programs.</p> <p>2) We would like to use the remaining \$4,000 for coaching expenses. Our coaching expense is by far our largest expense. The grant would help us expand our programming into the summer and fall as well as help provide additional coaching for the increase in athletes to all our winter programs. We strive to keep the costs to families as low as possible, however biathlon is a coach intensive sport that has additional coaching responsibilities which means our coaching costs are higher than for some other sports.</p>	

<b>2. Is This a New Program or Activity?</b>	<i>If yes, what are your targets and goals for this program/activity?</i>
<p>While our core programming has not changed (Biathlon, XC Skiing and Ski Jumping) we continue to expand our programs as demand has increased. We have introduced all girls programming for both Biathlon and XC Skiing which has been very successful. In addition, our Summer and Fall programming has expanded to meet our athletes needs. We also now offer a full Masters program in both Biathlon and XC to meet the demand for that programming.</p>	

<b>3. Current Year Highlights and Community Benefits:</b>	<i>Detail the specifics of activities and community benefits your organization provides.</i>
<p>With almost 400 registered participants, this will be the biggest intake ever for our club. Our Biathlon program is one of the largest in the country, which is a testament to the legacy of the 2010 Olympic games. While there were no official competitions this year, we currently have over 20 biathletes who have been selected to various BC Provincial Squads for the 2020-2021 season. Our program offerings have become an integral part of winter sports programming for Whistler families and given the need for families to play outside this year, we have made a significant contribution to family health both physical and mental.</p>	

<b>4. Existing Funding and Grant Applications:</b>	<ol style="list-style-type: none"> <li>1. <i>List the specific grants, funding and fundraising planned, approved or pending for the existing year, and</i></li> <li>2. <i>Please also list rejected or non-approved funding (with reasons).</i></li> </ol>
<p>District of Squamish (CEG) \$5,000 (Apr 2020) - attributed to XC and Legacy Park upgrades. We will apply again for 2021 grant</p> <p>BC Gaming Grant: \$32,000 (July 2020) - \$16,000 attributed to Biathlon, the remaining for XC, Ski Jumping and Legacy Park upgrades</p> <p>RMOW (CEP) \$3,000 (August 2020) - tents and Biathlon coaching</p> <p>Biathlon BC Grant: \$ 3,000 Received (Feb 2021) - Biathlon equipment purchase</p>

This grant addresses the priority of "Enriching Community Life" in a number of areas, especially in these unique times. It improves Satisfaction with Recreational Opportunities and with the diversity of our programming we cater to a variety of family needs. We have increased Personal Health Status and given Covid-19 this has been incredibly important for the community. We rely heavily on volunteer participation and contribute to Resident Volunteer Rates. Finally, Whistler athletes have competed with pride at many competitions across the BC and Canada which contributes to a strong Sense of Belonging.
