<p>1) Enriching community life: WSA is focused on teaching and learning for ages 5-85. Sailing is like riding a bike; it's for life. Access to learning opportunities and lifelong learning is identified as an important aspect of community life in Whistler. Training for employment: 3 coaches on our staff learned how to sail with us by volunteering and training. They are now paid fully certified instructors. WSA offers accredited courses recognized internationally following the Sail Canada Curriculum.</p> <p>2) Enhancing the Resort Experience: WSA is providing an activity/experience that otherwise may not be available. Locals and visitors are welcome to sail with us, and experience the beauty of our resort town from the water.</p> <p>3) Protecting the Environment: Sailing is a green sport, as wind is a renewable resource. We operate with a very small carbon footprint, and we now have 2 electric outboard motors in our fleet of safety boats.</p> <p>4) Ensuring Economic Viability: WSA operates as a non-profit with a responsibly managed budget. WSA operates on RMOW property with a very low impact to the local taxpayer with a net benefit to local residents.</p> <p>5) Partnering for Success: Whistler Sailing has grown organically through a cooperative approach in the community, including support from the RMOW for access to the site, the Whistler Blackcomb Foundation with financial support, and local businesses for donations at our annual fundraiser to name a few.</p>
