GRANT INFORMATION

1. Purpose of Grant:	<i>Explain in detail how the funding will be spent. Please refer to Council Policy A-7 Community Enrichment Program, available at www.whistler.ca/cep for funding criteria and eligibility. Please be as concise as possible using the space below.</i>
<p>The purpose of the grant is to facilitate building a batting cage as well as purchase accessories to go with our pitching machine. WSPA caters to players of all ability levels. There are six divisions ranging from A to F. We have many new players every year who have never played slo ptich/ softball/baseball before. We also have a large group of competitive players that could use this for training opportunities. We host a free "women's clinic" early in the season every year for skill development and plan on hosting more clinics. The batting cage would allow us to provide more skill development opportunities for all of our players from beginners to elite. Having a batting cage offers more flexibility to use the pitching machine we purchased last year. We know that many WSPA players would use it regularly and we also hope to allow community members to use it and get introduced to this social sport. We envision families wanting to use it as well.</p>	

2. Is This a New Program or Activity?	<i>If yes, what are your targets and goals for this program/activity?</i>
<p>Last year we purchased a pitching machine and some accessories which is a great step towards supporting our player development as well as recreational opportunities. This is our first pitching machine and we would love to be able to house it in a batting cage allowing players to get more repetitions in. We are looking at the possibility of renting it out to community groups also.</p>	

3. Current Year Highlights and Community Benefits:	<i>Detail the specifics of activities and community benefits your organization provides.</i>
<p>Community Benefits - affordable recreational activity and a great opportunity to get outside, exercise and meet new people.</p> <p>2020 highlights - had a successful and safe season with 40 teams while implementing strict covid safety protocol 2021 expectations - 40-50 teams, 600-800 players</p>	

4. Existing Funding and Grant Applications:	<ol style="list-style-type: none"> 1. <i>List the specific grants, funding and fundraising planned, approved or pending for the existing year, and</i> 2. <i>Please also list rejected or non-approved funding (with reasons).</i>
<p>1. Most of our operational budget comes from league fees paid by players on teams, and sponsorships. We don't have any other grants, funding or fundraising planned at this time. We recieved a Community Enrichment grant last year and used it to buy the pitching machine.</p>

<p>This grant addresses the priority of “Enriching Community Life” because it will allow for more recreational opportunities, skill development, introduction to a new sport which can create a sense of belonging for community members, and a fun social and physical activity for anyone in our community. The batting cage specifically will enrich the softball and baseball community, as it allows way more training opportunities for all levels, beginner to elite, and it will also allow to grow the league because we can introduce the sport easier to new players with such easy access to a training facility. Families will also benefit from this being available as it is a fun and active thing to do together.</p>
