PLEASE FIND YOUR FORM ATTACHED

The world is in so much turmoil in the last and current year. So many people have lost loved ones and friends. And I offer my sympathies to all. Please be well and safe.

October 7th International Trigeminal Neuralgia day. Our 2021 Light up Teal illumination initiative is to bring light and awareness to the World Health Organization by asking them to please add Trigeminal Neuralgia to their "Health Topic List" of illnesses which will expand awareness, grant access to further resources, and create opportunities for funding research for Trigeminal Neuralgia and Facial Pain Disorders.

Canadian Trigeminal Neuralgia Assoc (CATNA) support group, supports TNNME in the lighting up of buildings, bridges, all over the world. We go out to dinner, wear teal/blue clothing, ribbons to celebrate on October 7th. Please help us bring awareness for those who suffer from Trigeminal Neuralgia. Perhaps you even know someone who has tn and they have not been diagnosed. 10 percent of MS patients will be diagnosed with TN.

TN patients are likely to be in so much pain they can't speak, work, or socialize with others. Loss of friends because of not understanding TN is depressing for those who have TN. Please help bring awareness by announcing our International day, wear teal/blue to support awareness for TN. PLEASE HELP LIGHT UP THE WORLD IN TEAL/BLUE FOR AWARENESS!! If you are not able to light up buildings for us, perhaps you could put us on your social media sites.
