Brief description of the event associated with your request - 75 words or less <i>(Information here will be used for communications and the sign on the bridge. RMOW will edit copy if necessary.)</i>	This September 19-25th, is World Mitochondrial Disease Awareness Week. On September 25th, MitoCanada, along with dozens of countries from around the world, aims to light up as many national monuments as possible in bright, brilliant Green in support of Mitochondrial Disease. Almost every cell in our bodies relies on the energy our mitochondria produce. Without energy, we cannot survive. Mitochondrial disease can affect anyone at any time and the impact can be devastating. There is no cure at this time.
