

September 1, 2021

Dear Mayor and Council,

I live in Alpine Meadows and am requesting the installation of speed bumps on Alpine Way.

Although Council is considering lowering the posted speed limit from 50 to 30 klm/hr I do not feel confident that this will be a sufficient deterrent to people who speed up and down Alpine Way. We have many children and youth who use this as a main route to and from their homes to the nearby school and store.

Unfortunately the hill on Alpine Way seems to spur drivers to speed up and especially, down this grade to the danger of all of us residents particularly our children.

There is traffic calming near many of our parks and schools in other neighbourhoods for very good reason and this action should be paramount for our neighbourhood since we have a vigorous and growing population of young children in Alpine Meadows.

I welcome a change in speed control on Alpine Way for our neighbourhood safety.

Sincerely

Janice Lloyd
Resident
