September 13, 2021

Dear Mayor and Council,

I am writing to request a lighting of Fitzsimmons Bridge on behalf of the Stomach Cancer Foundation of Canada (My Gut Feeling).

Stomach Cancer Awareness Day is on **November 30th** and we are once again marking this special day by lighting landmarks across Canada. This day and all our initiatives are to show support for patients, survivors, caretakers and medical professionals.

We were pleased to include Whistler for the last year in our initiatives, along with Toronto, Montreal, Halifax, Niagara, Fort Erie, Calgary, Vancouver, Edmonton, Victoria and Newmarket and hope to do so again in 2021.

For more information, please visit [www.mygutfeeling.ca](http://www.mygutfeeling.ca)

I have attached our form, please let me know if you have any questions.

Thanks,  
Stephanie Koenig

Event Coordinator
