**Subject:** Clarification of Intent of Correspondence from City of Langley Re: Resolution - Appointment of Directors to Regional District Board

Mayor and Council,

Further to my correspondence of September 15, 2021 (attached), conveying Langley City Council's resolution regarding appointment of Directors to Regional District Board. For clarification, Langley City Council is requesting that *BC municipal councils also consider sending correspondence to the Ministry of Municipal Affairs* to request a broad consultative process be conducted in partnership with the Union of British Columbia Municipalities, *[applicable local government area association]*, and all local governments in BC to solicit feedback with tangible and objective rationale to support the amendment to section 19 of the Local Government Act, *requested by the Metro Vancouver Regional District Board of Directors*, to require municipal councils to appoint the Mayor, or the Mayor's designate, as the municipal director to the regional district board.

Best regards,

**KELLY KENNEY**  
CORPORATE OFFICER
