

Mayor and Council,

Due to the very short notice we have received, (10 days) we would like to request some public consultation with the major stakeholders and companies that will be impacted by this new bylaw. There are significant changes proposed that will have large financial implications on thousands of tax payers and local businesses. The way this is being currently handled appears rushed and a bit underhanded to us and our customers.

We appreciate your consideration on this issue.

Paul and  
Ed Hauschka
