

Your Worship Dear Mayor Jack Crompton,

On behalf of the Steering Committee and the large number of community volunteers of the Walk for Values, we like to express our deep gratitude to you, all council members and citizens of The Resort Municipality of Whistler for supporting and proclaiming April 24 in the past as “Human Values Day” and raise awareness to practice Human Values and to building the “Communities of Character”. Canada is a great country and we are proud of its multiculturalism and the rich values we hold.

I am writing to request that April 24, 2024, be proclaimed as the Human Values Day in The Resort Municipality of Whistler.

We propose that we all take the time to reflect on ourselves and observe April 24 every year as “Human Values Day.” This proclamation will dedicate a day each year to increasing awareness of Canada’s commitment to human values by encouraging citizens to foster a climate that promotes, supports and celebrates “excellence in character” in our schools, businesses, homes, and community-based organizations in order to strengthen the families and communities in Canada and around the world. Rekindling human values around the world by Canadian initiative is a step forward to achieving universal peace and security on the planet, and harmonious coexistence among different people and cultures.

Since 2015 April 24 has been proclaimed as Human Values Day by Premiers of the Province of British Columbia, Manitoba, Nova Scotia, Alberta, Newfoundland & Labrador. Also, Mayors of various municipalities have proclaimed Human Values Day and we have received over 300 proclamations. Various landmarks across Canada like the CN Tower, Niagara Falls, Toronto 3D sign, City Hall in Toronto, Hamilton Signature Sign, Mississauga Clock Tower, The Peace Bridge, BC Place in Vancouver, High-Level Bridge in Edmonton, and City Hall Vancouver have also observed Human Values Day on April 24.

With this request, I have attached a Summary of the organization.

This year we will have a walk in Edmonton and we are also planning to have food drives, volunteer at local food banks, and volunteer in planting trees to combat climate change and improve the environment.

In addition, if you have any suggestions for bringing the transformation it will be very much appreciated.

Thank you in advance.

Respectfully submitted,

Manish Rughani (Advisor Team - Walk for Values)

Re: Proclamation Human Values Day on April 24, 2024

Your Worship Jack Crompton,

Global peace and happiness can only be achieved by each one of us embracing the eternal and universal human values of truth, right conduct, peace, love and nonviolence. Human values are those attributes and qualities that are the very heart of humanity, representing the highest expression of the human spirit. While human values are non-denominational and transcend race, gender, nationality, caste, creed, faith and religion; practicing these universal human values can positively transform people and bring peace.

In today's world, we see increased conflict and violence attributable to religious and ethnic divisions; chaos and unrest due to the neglect of these fundamental human values at the individual, family, community, national and international levels. By bringing greater awareness to these human values, we can raise character at all levels. It is a transformation that will bring enrichment to a person's character, harmony in the home, accord in the community, order in the nation and peace in the world.

This increased awareness on the universal human values can be promoted at many levels in the community, seeking cooperation of all community and interfaith groups, educators, health care professionals and the downtrodden people living in remote communities. Many local and national governments have recognized the importance of practicing human values and acknowledged that these values should be highlighted on an on-going basis for everyone's benefit.

May 27, 2010 was a historic day when the Canadian Parliament congratulated the Sathya Sai School of Canada for its efforts in reinforcing values in Canada and around the world. Hon. Michelle Simson, MP, read a Statement by Members of the House of Commons and paid a tribute to the Sathya Sai School of Canada for spreading values by organizing a 'Walk For Values' to spread this important message. Messages poured from the Prime Minister, Premiers, Governors, Mayors, MPs, MPPs and Councilors to further spread these universal human values.

Since 2015, we have received over 300 proclamations. Several provinces, including Alberta, New Brunswick, British Columbia, Manitoba, Nova Scotia, Newfoundland and Labrador, including various municipalities, have already declared April 24 as Human Values Day. This widespread recognition underscores the growing understanding of the positive impact that the practice of human values can have on individuals and communities. Also, various landmarks across Canada like CN Tower, Niagara Falls, Toronto 3D sign, City Hall in Toronto, Hamilton Signature Sign, Mississauga Clock Tower, The Peace Bridge, BC Place in Vancouver, High Level Bridge in Edmonton and City Hall Vancouver all observed Human Values Day on April 24.

This year we are planning to have Walks, volunteer at local food banks and volunteer in planting tree to combating climate change and improving the environment.

With this request I have attached our Human Values Special Edition Newsletter. We look forward once again for Resort Municipality of Whistler to proclaim April 24 as the "Human Values Day".

SUMMARY OF OUR ORGANIZATION:

What is Walk for Values?

Walk for Values is a walkathon which was started in the town of Malvern, ON., in 2003 by the Parent Council of the Sathya Sai School of Toronto - Canada, an independent elementary school, registered with the Ontario Ministry of Education. The school's thrust is **Education in Human Values**, where the staff, parents, students and volunteers all focus on *integrating human values* into the regular curriculum.

In 2004, this Walk became a national event being conducted annually in the cities of Ottawa, Kingston, Toronto, Saskatoon, Winnipeg, Edmonton, Calgary, and Coquitlam where representatives from Vancouver, Surrey, and Abbotsford join together with the City's Teddy Bear Parade. In 2007, it continued at Dundas Square, in downtown Toronto and in 2007, it also became *international* when it was done in Australia in 5 major cities on a national scale. This is **the little Walk that grew** from just over 3000 walkers in Malvern in 2003 to over 5000 participants in 2010 at Yonge-Dundas Square, the heart of downtown Toronto, growing by the end of 2014 to an annual **international event**. Today this walk has grown to over **40 major cities** across **6 continents** and counting! Since 2013, this Walk is being conducted from the prestigious **Nathan Phillips Square**, at Toronto City Hall.

This Walk is aimed at raising awareness of the importance of practicing **positive values** at helping in the eradication of violence, bullying, drugs, crime, disrespect and greed in our society. The uniqueness of the event is that **it is not a fundraiser**. Rather, each participant resolves to make the community richer **by pledging to practice a value of his or her choice**. In this way, it is a "**walk of love**" aimed at making our city, one citizen at a time, richer in our commitment to human values as a first step towards raising our social conscience.

Mission Statement

"Walk for Values" is a walk designed to raise awareness of *Human Values* and to promote individual and collective responsibility for the progress of humanity, one step at a time.

Vision Statement

A non-monetary, non-denominational event, this unique initiative, based on the five basic universal human values of Truth, Right Conduct, Peace, Love and Non-violence, is part of a global drive to seed human consciousness with timeless affirmations such as hope, kindness, patience and honesty, along with other positive values deemed integral to the sustenance and survival of mankind.

It calls for an honest self-examination from all its participants who identify areas for personal growth and pledge to practice associated values not only for self-transformation but also collectively for social, environmental and global reformation.

The Objective of the "Walk for Values"

The objective of the "Walk for Values" is to give members of the community, participating organisations and students a clearer understanding of the importance of a values-based life. Basic Human Values of truth, right conduct, peace, love and non-violence have been on the decline in our communities and our nations. We can see this in the daily reports in the newspapers, radio and TV news broadcasts. Guns, violence and drugs have infiltrated our streets, our communities and our families. By doing nothing we contribute to the increase of this decline. As responsible citizens, we simply must do something about it. This WALK is an opportunity to fulfil that responsibility in a positive way by raising the awareness of human values in our community.
